

Court and Bar Honor Stroud

Resolutions Commending 16-Year Record of Clerk Stroud Are Passed

Wilkes Court in the October term took recognition of the fact that Wm. A. Stroud, clerk, was serving for his last regular term, he not being up for re-election this year.

In view of this Judge John M. Oglesby appointed a committee from the Wilkes Bar Association, composed of A. H. Casey, J. H. Whicker and Eugene Trivette, and the following resolutions were drawn up, passed, and entered upon the minutes of the court:

Whereas, on the 12th day of October, 1934, Judge John M. Oglesby of Concord, N. C., presiding, the court called the attention of the bar to the fact that Honorable Wm. A. Stroud, Clerk of the Superior Court of Wilkes County for sixteen years was serving his last term as clerk of said court and that his record of efficiency had been so outstanding that the court would not think of adjourning without the proper resolutions being passed by the bar. The court having a part in said proceedings stated that he would consider a motion by some member of the bar that the bar convene and adopt resolutions in honor of Honorable Wm. A. Stroud; and, after the passage of said motion, appoint three members of the bar to draft said resolutions. His Honor appointed A. H. Casey, Eugene Trivette and J. H. Whicker, members of the bar, to prepare and adopt resolutions honoring the said Honorable Wm. A. Stroud, Clerk of the Superior Court, which are as follows:

Resolved First: That the members of the Wilkes County Bar Association desire to go upon record in commending the efficient services of the Honorable Wm. A. Stroud, Clerk of the Superior Court of Wilkes County for the past sixteen years and that they do hereby resolve that the bar knows of no Clerk of the Superior Court in North Carolina who has performed his duties as clerk more carefully and who has been more considerate of the public than Honorable Wm. A. Stroud; that his broad and humane sympathies have made him Champion of the rights of the meek and

lowly and they in turn have never denied him their full share of devotion; that he has been the defender of the helpless, their interpreter and friend and his greatest contribution has been that of an outstanding citizen; that he has advocated the gospel of right living and high thinking, for he has at all times realized that if civilization itself is to endure it must be guided by the steady influences of spiritual values. He has dwelt much upon the vision of the mind's eye and anchored his soul deep in the recesses of unseen forces. He learned his lessons in the stern realities of life.

Resolved further: That for the past sixteen years his services to the county have been untiring, faithful and without blemish to his public record.

Resolved further: That we commend his public record and private life and admonish the public and his successors in office to emulate his unselfish devotion in his services to the State and especially to Wilkes county.

Resolved further: That a copy of these resolutions be spread upon the minutes of the court and be made a part of the public records of Wilkes county, that a copy be furnished to Honorable Wm. A. Stroud and that a copy be furnished the local papers.

The foregoing resolutions were offered by the committee; and, upon motion duly made and seconded, they were unanimously adopted.

His Honor, Judge John M. Oglesby presiding, authorized and directed that a page in the minutes of the Superior Court of Wilkes County be set aside for the purpose of recording the above resolutions.

A. H. CASEY,
EUGENE TRIVETTE,
J. H. WHICKER,
Committee.

Wilkesboro Drops Boone Game 13-0

Visitors Work Fast To Cross Line Twice In Third Quarter

On Friday afternoon Wilkesboro high school boys again played gamely but failed to score and lost the third football game of the season 13 to nothing against a heavier team from Boone High School.

Wilkesboro held the visitors in check until the final minutes of the third quarter when Boone fooled the home team with a fake play and scored, making the extra point. On the next play the pass was not faked but was complete, to the chagrin of the Wilkesboro boys and the second touchdown was marked up.

Except from the two rapid plays that went for touchdowns the Wilkesboro boys held Boone in check very well, considering the weight and experience of both squads.

Next game for the Wilkesboro boys will be against Harmony on Wilkesboro's field on November 2.
