Power Line In Eastern Wilkes Will Be Built

Five Mile Extension In New Castle and Somers Townships Approved

A five-mile extension of existing power lines in eastern Wilkes has been approved and will be constructed soon, it was learned today from M. G. Butner, manager of the North Wilkesboro branch of the Duke Power com-

The new line will be south of highway 421, a branch off the existing line which leaves 421 at Mathis store. The extension will go through the southern edge of New Castle township and parts of Somers township to Yadkin counand will estend about a half of about 85 farm homes and places of business.

During the past year the rural expansion work was necessarily curtailed in order to allow time for rebuilding many of the existing lines to carry heavier loads and thus render a more complete power service to rural areas. Several crews of workmen were kept at work throughout 1938 in rebuilding the lines, which are now capable of carrying the desired voltage.

During the year, however, many surveys were made, including estimates of cost and anticieted revenue on many line extensions in every part of the county. These surveys are being given careful consideration and it is hoped that many proposed lines will be approved and constructed during the coming year. Officials of the power company said that the people of the county have shown willingness to cooperate and have aided materially in the preliminary surveys, showing that they want the advantages of electricity in their

The resolution said further that up to November 22 Mr. Kelly and those working under him had received a total of \$6,583.85 for work which "he contracted to do and for which the commissioners contracted to pay the sum of \$2400 per year." The order Fund Closes 31st of \$2400 per year." The order said the board was acting to "protect funds of the county paid by the taxpayers." Oid Wiles, clerk to the board of commissioners, was directed to notify the bank of the cancellation of the voucher.

Three Porkers Net 1.843 Pounds Meat

A. R. Miller, prominent citi-

zen of the Vannoy community and champion pork producer, recently butchered three big type O. L. C.'s which netted a total of \$1,948 pounds of pork.

The largest tipsed the scales at 630 and the others at 635 and \$08. They include a few days being one year of age, Mr.

Miller seld.

Holiday Season **Quietly Observed** In This Vicinity

Police Department, Shorter Office Have Only Normal Duties

Less disorder this year than at any Christmas time we has ever known, was the comments of opinion as expressed by law . coforcement officers in Wilkes during the past week.

The police department here ported only a slight increase the number of drunks and these were no fights or general discrder on the streets. "Everybode seemed to enjoy Christmas most everybody behaved themselves." one officer said.

Sheriff Doughton reported that his office had experienced about tre usual amount of work that the number of calls was not excessive for a week-end.

Notwithstanding the heavy traffic, possibly the heaviest holiday raffic in the history of North Wilkesboro and vicinity, there were no disastrous accidents within the county during the holiday

There were several wrecks and many bumped fenders resulted from driving on the snow Monday but as far as could be learned today no one was seriously injured in the county.

However, there was one highway traged; in which local pesple were involved. Miss Mart Pearson was instantly killed and Gene Davis was badly injured when Miss Pearson's car planted into a stream near Statesville on highway 115 Monday evening.
