Late News Of State-Nation Told Briefly

DEMOCRATIC CLUBS
Raleigh, Nov. 3.—Plans to organize clubs of Young Democrats on college campuses throughout the state were approved here today at a meeting of the executive committee of the Young Democratic clubs of North Carolina. E. Hoover Taft, Jr., of Greenville, chairman of the organization committee, reported that clubs already had been formed at the University of North Carolina and the Woman's college, Greensboro.

POLAND PAYING
New York, Nov. 3.—Poland, although no longer in existence as a nation, will pay American investors interest on her bonds. The New York stock exchange announced today it had been informed by the Polish embassy that funds had been accumulated here prior to the invasion of the dismembered nation to meet interest due April 15 next on Polish dollar bonds.

BRIDGES "AVAILABLE"
Indianapolis, Nov. 3.—Senator H. Styles Bridges, of New Hampshire, told newsmen here today he would be "available" for the Republican presidential nomination next year. "Yes," the 41-year-old senator said to questions about his personal ambitions, "I will give you a statement. I will be available for the Republican presidential nomination through the medium of unpledged delegates to the next convention."

CONFESSES THEFT
West Jefferson, Nov. 3.—Byrl Waddell, 27-year-old Ashe county man, was lodged in jail yesterday afternoon for stealing and wrecking an automobile belonging to R. C. Barr, of West Jefferson. Suffering from internal injuries, Waddell limped into police headquarters at Damascus, Va., Wednesday night, voluntarily confessed that he had wrecked a stolen car and asked Chief Hect to telephone Patrolman Thomas to come and get him. Waddell told officers that he took the car late last Friday night and drove over into Virginia.

Mrs. F. B. Hendren Claimed By Death
Well Known Resident Of Wilkesboro Died Friday; Funeral Saturday

Mrs. Emily Campbell Hendren, highly respected and well known resident of Wilkesboro, died early Friday morning.

Mrs. Hendren, widow of the late F. B. Hendren, prominent Wilkes attorney, fell in her home on October 14 and since that time had been critically ill.

An impressive funeral service was held Saturday afternoon, two o'clock, at Wilkesboro Baptist church, conducted by Rev. W. M. Cooper, North Wilkesboro Presbyterian pastor, and Rev. Eugene C. ... pastor of the First Baptist church here. Burial was in Mountain Park cemetery.

Flowers, a beautiful and impressive tribute, were carried by Mesdames W. R. Absher, J. W. White, H. M. Phillips, W. E. Linney, C. A. Lowe, Arlie Foster, O. F. Blevins, J. H. Johnson, Wm. A. Stroud, E. N. Phillips, Kate Miller, A. R. Gray, Carson Parmenter, Edith Homphill, Bryan Gilreath, Ivey Moore and Mesdames Eloise Starr, Toby Turner, Ila Hokman, Lena Culler, Marianna Samuel and Etta Turner.

Bus Driver Freed Of Manslaughter Charge In Court

John Jones Acquitted By Jury In Triplett Case In Court Friday

John Jones, driver of a bus which collided with a car driven by Miss Wilhelmina Triplett four years ago, was acquitted in Wilkes court Friday.

The jury received the case about noon and returned the verdict of acquittal after short deliberation. Previously Solicitor Avalon E. Hall, Eugene Trivette and John R. Jones had argued for the prosecution and Fred Hutchins, of Winston-Salem, A. H. Casey, of this city, and W. M. Allen, of Elkin, for the defense.

The case began on Wednesday afternoon and state witnesses said that the collision, which occurred 15 miles west of this city, on highway 421, took place on Miss Triplett's right side of the highway going west.

John took the stand in his own behalf Thursday and testified that the crash was on his side. Both sides had corroborating evidence.

Following completion of the case court adjourned until today, when civil cases will be called during the second week. Judge J. Frank Armstrong, of Troy, is presiding.

Teachers Attend District Meeting High Point Friday

T. E. Story Presided Over Annual Meeting Of North-west District

Wilkes was well represented at the annual meeting of the Northwestern District of the North Carolina Education Association held in High Point Friday.

Coming To City

Miss Florence Rogers, noted economist, who will conduct a cooperative cooking school at the Woman's Club house in this city December 14 and 15.

Cooking School Is Planned Here December 14, 15

The Journal-Patriot announces with pleasure that arrangements for a cooking school to be held on December 14 and 15 have been completed.

The school is a cooperative affair with local merchants, Lever Brothers manufacturers, the Duke Power company and The Journal-Patriot participating.

The sponsors are glad to announce that they have secured the use of the Woman's Club house for the school.

The services of Miss Florence Rogers, a university graduate in home economics and now a special representative of the Spry research kitchen, will be in charge of the school. She is a lecturer and writer on food subjects and is a recognized authority on food preparation.

President Roosevelt, Chairman Davis To Open Red Cross Roll Call, Nov. 11

Radio, Screen, Opera Stars In Nation-wide Program 10:30 P. M., E. S. T.

Washington.—President Roosevelt and Chairman Norman H. Davis Saturday will launch the annual Red Cross Roll Call when stars of screen, radio and opera participate in a variety show to be carried to an estimated audience of 40,000,000 persons in a coast-to-coast broadcast simultaneously over three networks.

The program will originate in Washington where President Roosevelt and Chairman Davis will speak, officially opening the membership campaign. The remainder of the program will be picked up in New York and Hollywood, it was announced.

From Washington the broadcast will be taken to New York and Hollywood, it was announced. A partial list of the stars to appear includes: Edgar Bergen and Charlie McCarthy, Fred Allen, Ben Bernie, John Charles Thomas, Clifton Fadiman, Paul Whiteman and his orchestra, Harry Von Zell, Don Wilson and Connie Boswell. Other big names are still to be announced.

Annual Armistice Day Supper To Be Held Friday Night

Good Program And Good "Feed" Planned; Dr. Hiatt To Speak

The Wilkes county post of the American Legion and the American Legion Auxiliary are arranging the annual Armistice Day supper for Friday night, November 17th. The supper will be given in the Legion-Auxiliary club rooms and all members and guests are requested to be present at 7 o'clock.

John W. Hall, and his supper committee, along with a similar committee from the Auxiliary have arranged a sumptuous "feed" which will be served for 50 cents per plate. "Seconds" will be served at no additional cost.

Frank Johnson reports that the entertainment committee has planned an appropriate program. They have secured as speaker of the evening, Dr. J. S. Hiatt, of Elkin. Dr. Hiatt, who was until recently pastor of the First Methodist church at Lenoir, was appointed as superintendent of the newly created Elkin district by the Methodist conference, which met in Greensboro the latter part of October. Dr. Hiatt is both a humorous speaker and a serious thinker and the committee feels that it is fortunate in securing him for the occasion.

The Legion and Auxiliary extend to the veterans and friends of the Legion and Auxiliary a cordial invitation to meet with them and enjoy the program. The festivities will be closed with an old fashioned square dance.

Commander L. M. Nelson is having cards mailed to all Legion members and request that they mail in reply on or before November 9th as to how many plates they wish reserved.

Catches 17 'Possums And Two Raccoons During Past Week

Frank Walker, resident of the North Wilkesboro route 1 community, holds the opossum championship in Wilkes so far this season.

Dehart People Ask Power Line

Miss Addie Malone, home service specialist, L. L. Ray, agricultural engineer of Duke Power company, and members of the local Duke Power Co. personnel, will meet with the patrons in the interest of obtaining an electric line to extend from Mountain View into the Dehart community.

The meeting will be held at Mountain View school on Wednesday evening, seven o'clock, and all people interested are invited to attend.

Will Begin Work Of Widening 6 Miles Highway 421 Tuesday

BUNDLE DAY WILL AID NEEDY

Committees Lay Plans For Bundle Day In Wilkesboros And Adjacent Communities On Sunday, Nov. 19th

First Bundle Day Event Here Sponsored By Three Civic Organizations

A meeting of a central committee composed of members of the Kiwanis, Lions and Dokies club held here yesterday plans for Bundle Day on Sunday, November 19, were outlined.

Dr. A. C. Chamberlain, of the Kiwanis club, was made general chairman and Dr. A. S. Cassel, of the Dokies club, was named assistant chairman. The advertising committee is composed of Dr. Cassel, J. B. McCoy, of the Kiwanis, and L. S. Spainhour, of the Lions club.

According to present plans, the collection of bundles by truck will be at one o'clock on Sunday, November 19, and all homes are asked to have bundles ready and on the porch at that hour.

The collection truck will go over all the streets of North Wilkesboro, Wilkesboro, and along the highways to Moravian Falls, Millers Creek and Mulberry school, south, west and north of this city.

The committee is making an earnest plea that everybody who can contribute a bundle for this, the first bundle day event in North Wilkesboro, and to begin now to save items for donations.

It is asked by the cooperating organizations that the bundles contain anything which can be used or worn about the home, and to include such items of outgrown or discarded clothing as underwear, hose, shirts, pajamas, hats, caps, overcoats, gloves, dresses, jackets, overalls, raincoats, boys' clothing, shoes of all kinds, colors and sizes, and any other items of clothing which have already served their time of usefulness in the homes where they now are.

There is an especial need for other items to be used in the homes of the worthy and needy, including sheets, pillow cases, bedspreads, towels, soap, mattresses, any kind of furniture, blankets, quilts, kitchen ware, cooking utensils, pails, canned goods, etc.

Special attention is also called for the need of Christmas Cheer articles, particularly toys and dolls, which will be repaired and placed in first class condition.

When the bundles are collected the material will be taken to a warehouse and all items needing repair will be put in the best condition possible. All material will be used during the year among the needy, worthy families of the county.

Dr. Chamberlain has named the following committees to head the various parts of the work: schools and churches, Pat Williams and Lawrence Miller; collection, B. G. Gentry, Bryan Gilreath and Paul Osborne; repair and mending, Lawrence Miller, chairman; factory donations, Bryan Gilreath;

Six Miles Of Road To Millers Creek Will Be Widened

Three Feet To Be Placed On Each Side Of Present Concrete Pavement

IS A WPA PROJECT

150 Men To Be Placed On Job; Surface To Be Applied In Spring

Work of widening highway 421 between this city and Millers Creek will begin tomorrow morning, it was learned today from the highway division office and the WPA area headquarters located in this city.

Highway officials explained that the project will be carried out through the WPA with the state highway commission as sponsor.

C. M. Crutchfield, area engineer of the WPA, said that a crew of about 150 workmen will be assigned to the project. The number will include both the stone quarry crew and the force who will do the grading and surfacing along the highway.

Highway engineers said that a strip three feet wide will be added to each side of the present concrete pavement except on curves, where six feet will be added to the inside and two feet on the outside. The average total width of surface to be added to the present pavement will be about seven feet.

The project will necessitate a considerable amount of grading and shoulder building in order to increase the width of the roadbed sufficient for the additional pavement and will entail a large amount of labor. However, it was explained that since completion of the Oakwoods road that sufficient WPA labor is available to keep the project well under way at all times and that it will be completed as soon as possible.

Crushed stone will be applied on the widened shoulders and a priming coat of surface will be applied to hold the stone until the finish black top surface can be applied next spring.

The six and a fraction miles of highway was the first section of hardsurfaced highway constructed in Wilkes county and at the time it was built by the county was considered a "boulevard." Now it is antedated in that it is narrow, crooked, with curves not sufficiently banked and is considered one of the most dangerous sections of highway in this immediate part of the state.

The exceedingly heavy traffic makes the need for revision of the highway more acute. It was pointed out, and population along the highway to Millers Creek has vastly increased during the past fifteen years.

The highway carries traffic of highway 421 leading to Boone and state highway 16 leading to the Jeffersons, the junction of the two highways being at Millers Creek.

2 Demonstrations To Be Wednesday

Entomologist To Conduct Two Demonstrations On Control Borers

On Wednesday, November 8, Jack Rowell, entomologist of the North Carolina extension service, will be in Wilkes county to conduct two demonstrations with the use of Ethylene Dichloride Emulsion for the treatment of peach trees for the control of peach borers, Dan Holler, Wilkes county agent, said today.

The first will be conducted on Wednesday morning, nine o'clock, at the home of Andrew Jennings two miles east of Moravian Falls on the Brocktown road. The second will be held at two o'clock in the afternoon at the home of C. W. Parlier near Pores Knob. All interested persons are invited to attend, Mr. Holler said.

Experts estimate that the Amazon basin contains 300,000,000 wild rubber trees that never have been tapped.

Born to Mr. and Mrs. W. J. Brookshire on Friday, a son, William J. Jr.
