# In The WEEK'S NEWS

A "BRACE" FOR CHAMBERLAIN - England's Prime Minister enjoys a cup of coffee on his chair with French staff officers somewhere behind the lines.

TAMAN-HUNGARIAN ALLIANCE - A defensive alliance between Italy and Hungary is authoritatively announced as result of conferences between Count Ciano (left) and Count Cakky (third from left), shown in picture above. Premier Mussolini appears at right.

EXTREMELY popular during the opening year of the New York World's Fair, the Japanese Pavilion again will be opened to the public during 1940 Fair, after which pavilion and garden will be donated to New York City.

THE BOOMPS-A-DAISY dance has inspired this "Booms-a-Daisy" gown. It has a stiff bustle bow at back and wide hoops at hips to insure graceful silhouette when you "turn to your partner and bow."

NEW ENVOY TO CANADA - James H. R. Cromwell, husband of society's Doris Duke, reported to be the world's "richest girl," who has been named by President Roosevelt as Minister to Canada.

NEW STYLES IN BLACKOUTS - A Paris policeman wearing a white headband around his helmet stops an automobile by waving his nightstick which is painted white in order to make it more visible in the deep blackness of the winter night.

The Fidells class of the First Baptist church will meet Tuesday, January 16, 7:30 p. m., at the home of Miss Mamie McNeil with Mrs. Rufus church, Mrs. A. C. Chamberlain, and Miss Sallie Outlaw as co-hostesses.

## Red Bombs Do Heavy Damage In Wide Area

Helsinki, Jan. 14.—Counting the cost of the worst aerial offensive since the Soviet Russian invasion started, Finns fear that Red strategy calls for a powerful assault on behind-the-lines morale to break military resistance along Finland's borders.

Civilians of a score of southern Finnish cities and towns surveyed the ruins of homes and public buildings caught in the sweep of Sunday's far-flung air raids.

It was indicated that Vasa, important coastal city on the Gulf of Bothnia and railroad center, suffered the severest damage among the larger cities. Business structures in the city of about 32,000 population were destroyed and at least 12 persons were reported dead.

Flames spread in a number of smaller towns where fire fighting equipment was inadequate.

It was believed nearly 20 towns and cities were bombed.

Although he applied calcium metaphosphate on his clover in the late spring, C. D. Baldwin of the Lansing community in Ashe county reports he could tell a marked difference when the clover was cut for hay.

One-quarter of all this country's farm now have high line electric service, more than twice the number of farms that had such facilities in 1935 when the REA was established.

A demonstration program has been started by the U. S. Department of Agriculture under which a small quantity of low-grade cotton will be used in the manufacture of high-grade paper.

Total cotton allotment for the entire United States is 27,070,173 acres, which should result in a yield of approximately 12,000,000 bales at harvest time this fall.

## FIDELIS CLASS MEETING

The Fidells class of the First Baptist church will meet Tuesday, January 16, 7:30 p. m., at the home of Miss Mamie McNeil with Mrs. Rufus church, Mrs. A. C. Chamberlain, and Miss Sallie Outlaw as co-hostesses.
