The three sawmills in this immediate vicinity were operated last week for the first time in many weeks.

Mr. Greene Brown spent a few days in Mount Airy some time ago on a combined business and pleasure trip.

Mrs. B. L. Johnson recently spent one day in Elkin and one in North Wllkesboro on business. During the recent cold spell cows weighing 700 or 800 pounds could walk for rods on the ice in the branches without being able to break a place to drink. Jim McGee's team of mules and a two-horse wagon drove across the creek below the old Tilley mill without breaking the ice,

even when one mule fell. Though the cold weather a few weeks ago may have been the most severe on record, people show as much disposition to forget about the weather as about history or their old love affairs. There was similar weather the winter of 1917-1918, when, beginning December 7, there were 17 snows that staid on from then until spring. The river was frozen over six weeks or two monthspeople could walk across it, though perhaps horses could not. The substitute carrier on this route, Mr. M. M. Chevrolet Breaks January Records

Detroit. - Chevrolet dealers sales of new cars and trucks in the month of January totalled 73,328 units, a figure which smashes all January records, with the exception of a single year. The announcement was made at the company's headquarters here to-

day. Sales for the month showed gain of 21,326 units, or 41 per cent, over those for January 1939. Sales for the final 10 days totalled 25,915 units, as compared with 18,843 in the same period last year.

The records show that in only one other January—January 1986 -has the record of, the past month been equalled, and the sales n January of that Million-Chevrolet eyar were only 2,280 units ahead of the month just

Sales of trucks totalled 14,113, gain of 1,170 units over January 1939.

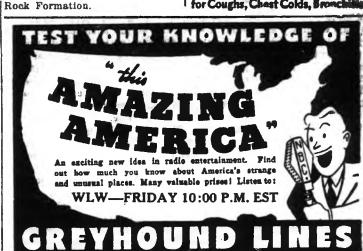

Used car sales in January were 118.272 units, a gain of approximately 3.800 over those in January 1939. Used car sales in the final 10 days were especially heavy, exceeding those for the second 10 days by 7,923 units.

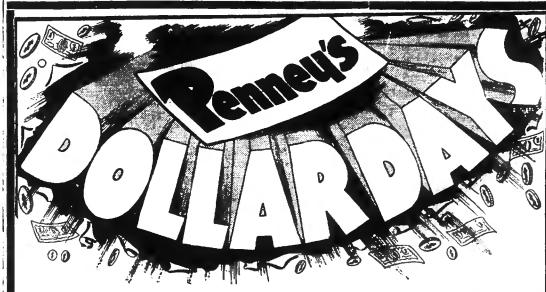

4-H Council Meets At The Courthouse

By ALENE GREENS, Reporter) The 4-H County Council met Saturday morning in the court-house at Wilkesboro, having only a few members present due to the weather conditions. The president, Ray Stroud, presided during the meeting. The main object of the meeting was to discuss recommendations made to the various clubs of the county. Dan F. Holler discussed some subjects in Geology and included a very interesting demonstration
