Local Nine Makes Good Showing In Season's Opener

North Wilkesboro baseball team opened the season here Sunday by losing to Banner Elk Bobcats 11 to 9 but played a brand of baseball indicative of "better days to come."

It was not until the last half of the ninth inning that North Wilkesboro sluggers began to connect with the offerings of Banner Elk hurlers but in that inning Reavis and Gilbert homered and Templeton hit a triple, all accounting for six runs and a real threat against the lead which had been piled up by the visitors on a combination of hits and errors.

The team management is making efforts to schedule games with the leading semi-pro teams in the western part of the state and hopes to place North Wilkesboro prominently on the baseball map this summer.

More than 12,000 pedestrians were killed in this country last year.
