Prominent Reddies River Man Passes

Ambrose Gordon Whittington was born June 25, 1853, died May 5, 1940. His stay here was 87 years, 10 months and 10 days. He was the son of the late William H. Whittington and Ann F. Gilreath Whittington, being a grandson of the late pioneer, Leonard Whittington, who came from Iredell and settled here in this county on Reddies River during the early 18th century. He was born, lived and died on the same farm. He had been in declining health for many months and had been confined to his room since the death of his wife. Death was sudden but peacefully. He was dressed and preparing himself for his Sunday morning breakfast. His death was a great shock hundreds of relatives and friends.

He was married March 20, 1873, to Catherine Snyder, who preceded him in death December 21, 1939. To this union seven children were born, all of whom survive, Smith, Robert, Willie, Mrs. A. M. Whittington, Mrs. John Crysel, Mrs. R. S. Whittington and Mrs. Wiley Forester, also thirty grandchildren, twenty-eight great-grandchildren and a host of friends to mourn his passing.

A white-bearded pioneer merchant, farmer and business man in Wilkes County, he was known to hundreds of people in this county as "Uncle Ambrose" throughout the latter years of his life. He was widely known throughout this state and others.

Funeral services were held at Reddies River church, May 6, 1940, at 2:00 p. m. The service was conducted by the Revs. W. T. Whittington and Shade Caudill. Pallbearers were members of the Masonic Lodge. Honorary pallbearers were grandsons, Clate, Rich, Tolbart, Terry, Gwyn, Homer Whittington, Eddie Forester and Robert Crysel. Roaring Gap Home Club Has Meeting

Mrs. Mary Woodruff was hostess to the members of the Home Demonstration club for the month of April, with most of the members attending.

The president, Mrs. J. E. DeJournette, called the meeting to order. The program was opened with the club invocation.

Mrs. J. N. Gentry was in charge of the devotional service, the subject of which was "Spring." She stressed the promise of life renewed, way of resurrection from the dead, God's annual miracles, and how our lives must show fertility instead of barrenness.

Miss Sallie Woodruff, educational leader, gave an interesting study on the life and work of the famous French painter, Jean Baptiste Carot. She stressed his beautiful picture "Spring," by displaying prints in colors. A painting of this kind simply opens the doors of the soul and makes the world quite new to catch this breath of Spring.

The roll was called by the secretary, Mrs. W. W. Calloway to which members answered with their favorite spring flowers.

General plans and suggestions were made for the district meeting of the Federation of Home Demonstration clubs which covers the counties of Caldwell, Alexander, Alleghany, Avery, Watauga and Wilkes, which will meet in North Wilkesboro on May 30th.

Miss McGoogan gave the demonstration for the month by removing the finish from an antique chair and showed the proper method of refinishing. She first used a home-made solution of lye paste for removing the old finish. This method was very effective. Then she used a commercial remover, showing clearly the different steps in the work. She demonstrated the different grades of sandpaper, steel wool and emery cloth, suitable for sanding. As a permanent finish to the furniture she used linseed oil and wax which brought out the rich mellowness of the fine old wood. This was a helpful lesson for every one.

At the close of the meeting, during a very enjoyable social period, the hostess, served delicious refreshments.

M. until his falling health prevented, and was held an honorary member until death.—(By Mrs. Charles Bishop).
