GOVERNOR

of North Carolina

Wilkins P. HORTON

WILKINS P. HORTON

*He's the Choice of the Majority of
Wilkes Democrats*

BECAUSE:

During the days of the 1927 General Assembly, he and his brother, W. B. Horton, led the successful fight to defeat an unnecessary \$150,000 road bond issue, thus saving the farmers and other tax payers of our county thousands of dollars in bond principle and interest.

BECAUSE:

Wilkes County Democrats gave him splendid majorities when he was a candidate for Lieutenant Governor in the primaries of 1936. His candidacy for Governor offers another opportunity for Wilkes Democrats to show their appreciation for the service he has rendered.

BECAUSE:

Wilkins P. Horton is a friend to every Democrat in Wilkes county; capable of being Governor of North Carolina on account of his long service in the General Assembly and his wide knowledge in state affairs.

LET'S ALL VOTE FOR

Horton For Governor

In the PRIMARY to be Held Saturday, MAY 25th
