

Farmers And Good Democrats—

It is important to your welfare to read the statement given below!

Did Mr. Burgin Vote Against The Appropriation For Making Parity Payments To The Farmers?

LET THE RECORD SPEAK:

Recently, I advised the FARMERS AND THE VOTERS OF OUR DISTRICT in a newspaper "RIGHT THE WRONG" that Mr. Burgin, my opponent in Saturday's primary for Congress, VOTED AGAINST the Agricultural Appropriation Bill which President Roosevelt asked Congress to pass which would have provided \$225,000,000 for making parity payments on tobacco, cotton, wheat, and other crops. The same bill would have provided for government purchase of \$113,000,000 in Surplus Foods and clothing.

The purpose of this appropriation was to raise Farm Prices and give to the Farmers the help they so sorely need and which they are so much entitled to receive. The bill also provided means to get rid of surplus stocks of goods, and to relieve distress among millions of unemployed who would have been given surplus goods and clothing. I stated that Mr. Burgin voted against making such parity payments, which was a vote against The Farmer, The Unemployed and people in Distress.

At this time newspapers of the District and circulars are being distributed far and wide accusing me of circulating false statements against my opponent with reference to this question. I have been accused in these statements of not telling the truth.

My Farmer Friends and all good Democrats: I HAVE TOLD THE TRUTH. Mr. Burgin has requested the Clerk of the House of Representatives to give him a letter showing how he voted on this Bill. You will note that Mr. Burgin voted for the Bill for making the parity payments, but LATER he voted AGAINST making the APPROPRIATION which was necessary if the payments were ever made.

Mr. Burgin voted for the parity payments on March 28, 1939, BUT HE VOTED AGAINST MAKING THE APPROPRIATION THAT WAS NECESSARY TO MAKE THE APPROPRIATION THAT WAS NECESSARY TO MAKE THE PAYMENTS ON JUNE 22, 1939.

Read the following letter and telegram that PROVE I was right in saying Mr. Burgin voted against making appropriations necessary to make parity payments.

TRIMBLE WRITES TO BURGIN:

Washington, June 14, 1940

My Dear Mr. Burgin:

In accordance with your request, I have verified your record on the Agricultural Appropriations Bill (H. R. 5269) of the 76th Congress, First Session, regarding the item of parity payments, which shows that you voted "Yes". This vote occurred in the House of Representatives on March 28, 1939, being Roll Call No. 44.

SOUTH TRIMBLE,
Clerk of the House of Representatives.

WASHINGTON GIVES THE FACTS:

William G. Pittman, an attorney of Rockingham, on June 18th, 1940, telephoned to E. L. Oliver, Executive Secretary of Non-Partisan League at Washington, to obtain additional evidence on this vote by Mr. Burgin.

Mr. Oliver conferred with Clerk Trimble's office and then wired Mr. Pittman as follows:

Washington, June 18, 1940.

Hon W. G. Pittman,
Rockingham, N. C.

In response to your telephone call, I have just been in touch with House Clerk South Trimble's office. The Trimble office informs me that his letter referred to BURGIN'S VOTE ON PARITY PAYMENTS which vote was taken on MARCH 28, 1939. On that date Burgin voted for such payments—BUT THIS WAS NOT A FINAL VOTE ON SUCH PAYMENTS.

When the Bill which authorized FUNDS for those payments came up for final action in the House of JUNE 22, 1939, BURGIN IS LISTED among the 175 Congressmen WHO VOTED AGAINST THIS BILL (H. R. 5269).

This Bill was known as the Agricultural Department Appropriations Bill, which authorizes funds for practically all services rendered by the Agricultural Department to farmers as well as the \$113,000,000 for the purchase of surplus commodities.

Burgin's vote AGAINST this Bill on FINAL passage is all the more important in view of the fact that the Bill passed ONLY by a margin of five votes. The vote was 180 "Yes," to 175 "No."

WHAT BURGIN REALLY DID WAS VOTE FOR PAYMENT BUT OPPOSED APPROPRIATIONS FOR MAKING SUCH PAYMENTS!

E. L. OLIVER,
Executive Secretary Non Partisan League.

"DON'T ROCK THE BOAT"

Much has been said about "Don't Rock the Boat." From the above clear facts, may I ask WHO IS ROCKING THE BOAT?

I believe that every fair-minded Democratic Farmer, and the other good Democrats of the District will REPUDIATE my opponent's effort to lead them to believe that I am not telling the truth.

I have been honest with my fellow-Democrats. I will be honest with the Farmers and not vote for making parity prices and THEN VOTE AGAINST making the appropriations necessary to make such payments.

I urge you to give me your vote and active support Saturday!

Sincerely,

C. B. DEANE.

Lucas Meets With The Registrars For Primary (Continued From Page One)

several registrars and judges throughout the county as a number of the present election officials are either employed by the government or state.

Mr. Lucas stated before the meeting that only Democrats could participate in the primary Saturday.

Just before adjournment of the meeting the question of the division of North Wilkesboro precinct, where there are 2,700 voters, came up for discussion. Mr. Lucas stated that this was a matter for the county board of elections to handle. Mr. Forrester then asked W. H. McElwee what he thought about a division of the township. Mr. McElwee replied that "it would be impossible to divide the township for the primary Saturday; that he probably would not be chairman of the board of elections during the fall election and didn't want to cross that bridge until he got to it."

In the meantime, Effner Eller has resigned as registrar in North Wilkesboro precinct, and Glenn Cox has resigned as the Democratic judge in the same precinct. Rufus Church has been appointed to succeed Mr. Eller as registrar, and J. H. Rector has been appointed to succeed Mr. Cox.

A number of other resignations of election officials over the county is reported, but no list of resignations or re-appointments could be obtained late today from county election board officials.
