

### Wilkesboro Baptist Church Has Paid Its Indebtedness And Burned The Note

A part of the regular morning service yesterday at the Wilkesboro Baptist church, of which Rev. Howard J. Ford is pastor, was devoted to the burn-

ing of the note and mortgage given by the church seven years ago for the erection of the new educational part of the church building.

Mr. W. A. Stroud, who is the church treasurer, burned the note and mortgage before the membership of the church, stating that every dollar had been paid for the construction of the new wing to the church. Following the burning of the cancelled papers, Ex-Sheriff J. H. Johnson offered a prayer of Thanksgiving.

Sometime ago, the membership of the First Baptist church of this city, also celebrated the burning of the mortgage against their church.

Mrs. J. M. German Brings In 35 Pounds; Collection Place Penney's Store

To Mrs. J. M. German, of Boomer, goes the honor of bringing in the most old silk and nylon hose to date.

Discarded silk and nylon hose are being collected locally by R. E. Gibbs, manager of J. C. Penney company store, who has placed a large box at the front of the store to receive the old hose.

The hose are sent to the Defense Supplies Corporation in New York City and are being used for the making of gunpowder bags for the fighting forces.

More than 200 pounds have been deposited in the box at Penney's but a total of 2,000 pounds is asked from this territory.

The sack full of old hosiery brought in by Mrs. German had been collected by her from ladies of the Boomer community. Ladies in other communities are asked to collect old hose from their homes and their neighbors and bring them in at the earliest possible date, in order that they may be forwarded and used to hasten victory.
