(Surplus)

P. S.—The \$5,000 "Note Payable" shown above has been paid in full since the audit was made.

You will note from the above statements that under the able leadership and guidance of our present Board of Commissioners that the financial condition has changed from a deficit of \$41,866.38 as of December 7, 1942, to a surplus of \$90,241.70 as of September 8, 1944.

The records of Wilkes County, together with the audit reports prepared annually by E. W. Smith, C. P. A., from which these statements have been compiled, are on file in the County Accountant's office, and are open for inspection to any interested parties at any time.
