PEEL YOUR PULPWOOD NOW while you can

Plan now to cut and peel as much pulpwood as possible during the season when the sap is up and trees peel easily.

Get Top Price Peeled pulpwood prices are substantially above those paid for rough wood — the highest prices allowed under wartime ceilings fixed by the Office of Price Administration.

Easier to Handle There are many other advantages to peeling. The cut and peeled log dries

Keep Up the Quality Be sure your pulpwood is sound and free of rot. Otherwise your work may be wasted. Rigid military requirements demand that pulpwood products for the armed services be made of good wood.
