How Sober Hoskins Got His Name

Advertisement

Everybody kids Sober Hoskins about his name. Of course, they allow that it's appropriate. Sober never drinks anything stronger than a glass of beer. And a harder worker in the fields there never was.

From where I sit, there may be something in what Sober's dad says. Naming children after virtues is a fine old American custom. Look at the names of our pioneers and pilgrims: Faith, Pious, Charity, Hope, Ernest.

Maybe we should use such names more often. And one I'd like to add is "Tolerance." If we all had Tolerance for a middle name, and lived up to it, we'd have a better, happier world.
