

4-H Club Girls Plan Of Work For 1947

January—Be Safe in Work and Play.
 February—Eat a Good Breakfast Campaign, with Why Drink Milk.
 March—Your Clothes and How They Fit (Sr.) Finishing Touches (Jr.).
 April—You Can, Too.
 May—Sanitation for Farm and Home.
 June—Rating Ourselves as Family Members, County Dairy Contest.

August—Work on Project Recreation.
 September—Records and Yard Beautification.
 October—Save Your Eyes.
 November—Local Achievement Day.
 December—Christmas Party.
 This plan of work is a district program. All counties in this Northwestern District of N. C. will follow this plan in 1947. Each of these discussion and demonstration titles will be led by the Extension Workers and local volunteer leaders.

A Country Boy's Creed

"I believe the country, which God made, is more beautiful than the city, which man made; that life out of doors and in touch with the earth is the natural life of man. I believe that work is work wherever I find it, but that work with nature is more inspiring than work with the most intricate machinery. I believe that the dignity of labor depends not on what you do but on how you do it; that my success depends, not on my location, but on myself; not upon my dreams, but upon what I actually do; not upon my luck, but upon my pluck. I believe in working when you work, playing when you play, and in giving and demanding a square deal in every act of life."

A Country Girl's Creed

"I am glad that I live in the country. I love its beauty and its spirit. I believe I can share in this beauty around me, and I want to express it in my own life as naturally and happily as the wild rose blooms by the roadside. I believe I can have a part in the courageous spirit of the country, with which I, too, can face the hard things of life with gladness. I believe there is much I can do in my country home. Through studying the best way to do my everyday work I can find joy in common tasks done well. Through living comradeship I can help bring into my home the happiness and peace that are always so near us in God's out of door world. I believe my love and loyalty for my country home should reach out in service to that larger home that we call our neighborhood. I would have all that I think and say and do to help to unite county people near and far in that great kingdom of love for neighbors which the Master came to establish. He who knew and cared for country ways and country folks."

National 4-H Creed

I believe in boys' and girls' club work for the opportunity it will give me to become a useful citizen.
 I believe in the training of my head for the power it will give me to think, to plan, and to reason.
 I believe in the training of my heart for the nobleness it will give me to become kind, sympathetic, and true.
 I believe in the training of my Hands for the dignity it will give me to be helpful, useful, and skilful.
 I believe in the training of my health for the strength it will give me to enjoy life, resist disease, and make for efficiency.
 I believe in my country, my state, and my community, and in my responsibility for their development.
 In all these things that I believe, I am willing to dedicate my service to their fulfillment.

 This 21st day of Feb., 1947.
 MRS. E. S. ZIMMERMAN;
 Admrx. of the Estate of E. S. Zimmerman, dec'd. 4-3-47
 Larry S. Moore, Atty.

300,000 Girls To Take Part In 4-H Food Preparation

Roundly 300,000 rural girls throughout the nation will participate in the National 4-H Food Preparation Activity this year. Based on state club leaders' reports, 4-H girls participating in that program last year planned, prepared and served 20 million family meals!
 Typical achievements of participants in 1946 were: An 18-year-old 4-H girl in a western state prepared and served 550 family meals, including 1,750 dishes and bakings, and helped prepare hot school lunches for 23 children. She has had complete charge of buying and preparing food for her family for the last two of her eight years in club work, due to her mother's illness. . . . A central state girl of 20 prepared and served 3,163 meals, including 13,819 dishes and bakings, during four years as a 4-H'er. . . . A 17-year-old girl in an eastern state prepared and served 1,840 meals, including 209 dishes and bakings, and put up 448 lunches during 6 1-2 years in club work. . . . A club girl of 18 in a southern state prepared and served 4,425 meals, including 13,505 dishes and bakings, and put up 218 lunches during six years as a 4-H'er.

More Gasoline Is Used On Highway

Washington.—A car traveling public is driving more in the postwar world. The average passenger car owner used 651 gallons of gasoline and drove some 9,765 miles in 1946, according to the estimates of a prominent economist in the petroleum industry, James J. Skelly president of the American Road Builders' Association, pointed out in commenting upon the increasing use of gasoline by the nation's motorists.
 "With all of us driving more, an accelerated highway construction program must keep pace," Mr. Skelly said.
 Americans have depended more and more upon the automobile each year since 1925. With war restrictions ended, average gasoline consumption per passenger car has resumed its yearly upward trend.
 "Increasing gasoline consumption shows that the nation is geared to a highway pattern of living," Mr. Skelly commented. "A car traveling public is depending more and more upon the highway for business trips and recreational travel."
 With 1,359,244 fewer cars and trucks registered in 1946 than in 1941, the nation's vehicles used a billion gallons more gasoline than in the peak pre-war motor year. In 1946, highway gasoline consumption rose to 25,200,000,000 gallons for the nation.
 Recent surveys indicate that 30.6 per cent of the nation's families are waiting to buy new cars. Some 51 per cent of the urban families of the nation now own automobiles.

CONSTIPATION Risky in BAD COLDS

Retained undigested food becomes putrefactive, causes toxins, which overload the liver and other vital organs of the body, lessening your resistance to colds and other winter ills and interfering with their treatment. Why take this chance when you can take Calotabs? Calotabs thoroughly yet pleasantly act on every foot of your intestines, sweeping out toxin-laden putrefactive foods and virulent mucus, enabling you to more effectively avoid or fight a cold. Nothing acts like good old Calotabs. Use as directed. 10c and 25c at all druggists.

Take CALOTABS

Hosiery Workers Vote Against C.I.O. Union

Greensboro.—Employees of Mock, Judson, Voehringer, Inc., Friday voted 450 to 380 against choosing the American Federation of Hosiery Workers, C. I. O., as their bargaining agent.
 Returns, signed by Tasker Howard Jr., director from the National Labor Relations Board, showed 877 employees eligible to take part in the election: 827 participated, 450 voted against the union, 380 voted for the union, five votes were declared void and seven votes were challenged.

Hoover Says Europe's Plight Is Most Pitiful

London, Feb. 20.—Herbert Hoover arrived today from his food survey of Europe and told reporters, "This is the worst period in Europe in 25 years. And that applies to the British, too."
 Hoover and an aide, Hugh Gibson were flown from Berlin by Capt. John A. DeWolfe of Medford, Mass., with Capt. Joseph R. Kreider of Lamoyne, Pa., as second pilot.

Five virus diseases are known to attack sugar beets in the United States. Curly top is the most serious.

The various parts of the body do not grow old at the same time, according to the Encyclopaedia Britannica.

Textile Firm Grants A General Wage Boost

Goldensboro.—The Borden Manufacturing Company, a textile concern with more than 200 employees, yesterday announced a general wage increase of 10 per cent.
 Edwin B. Borden, 3d, president, said the raise established a minimum of 80 cents an hour instead of 73. It was made retroactive to February 10.

EXECUTOR'S NOTICE

Having qualified as executor of the estate of Mrs. Sara A. Mervin, deceased, late of Wilkes county, North Carolina, this is to notify all persons having claims against the estate of said deceased to exhibit them to the undersigned at Wilkesboro, N. C., on or before the 29th day of January, 1947, or this notice will be plead in bar of their recovery. All persons indebted to said estate will please make immediate payment. This 29th day of January, 1947.

Retonga Ended Long Search, Says Edmonds

Was Forced to Live On Soft Foods and Feared He Was Doomed to Suffer the Rest of His Life, He States. Enjoys Every Meal—And Feels Fine Now.

MR. T. O. EDMONDS

"Indigestion forced me to live on soft foods and broths and my strength went so low I could hardly walk across the house, but, thanks to Retonga, I now eat anything I want, and feel fine, gratefully declares Mr. T. O. Edmonds, well-known home-owner of Route 3, Anderson, S. C.
 "Although I got to where I lived on soft foods I still suffered from sour stomach, and gas pressure up against my chest sometimes almost choked me. Muscular pains in my arms and shoulders seldom stopped, even though I took strong laxatives almost every night for constipation and hoping to clear out toxic poisons. Sometimes I suddenly felt so shaky I had to sit down and most nights I slept so little that mornings I had to drive myself out of bed. I sometimes thought I would never be good for anything again.
 "Retonga soon relieved all this

distress. My appetite is fine now and my food tastes good. I sleep well, am relieved of constipation, and am on the job every day feeling fine. Retonga is the finest medicine I know."
 Retonga is intended to relieve distress due to insufficient flow of gastric juices in the stomach, loss of appetite, Vitamin B-1 deficiency and constipation. Accept no substitute. Retonga may be obtained at Horton's Drug Store in North Wilkesboro.—Adv.

May-flies travel in such great numbers that at times they darken the air, according to the Encyclopaedia Britannica.
