Wilkesboro club from Reidsville in the Carolina loop, thrilled baseball fans here Friday night with his three-hit shutout over Galax Leafs.

Mike Brellich, who was playing in the right garden Friday night, won the game at bat in the seventh inning when he hit a line drive into the centerfield bleachers with Joe Tagliarino, who had singled, on base. Arnold Davis collected the only other hit by the Flashers, and the three hits by Galax were one-base knocks.

Friday night's game was the greatest pitching duel of the season in the Blue Ridge league. It was in the bottom of the fifth inning before a hit was scored and the hitless part of Weinbach's performance went by the wayside when Davis drove one by third. Beane hit a grounder between first and second in the seventh to ruin Dolan's no-hit-

Here Thursday night the Flashers won easily over the Mount Airy Graniteers 13 to 6 with Willard Kops, University of Indiana right hander, on the mound. North Wilkesboro batted Bowman out of the box in the third to make it three in a row over the ex-big-leaguer this season, and continued to rack up a total of 14 hits off Williams and Casbier. Manager Flash Loman had a perfect night at bat with two singles, double and triple, and Mercak had a perfect night with three for three. The Graniteers' ninth inning rally was cut short by the second double play of Tagliarino to Loman to Daddino. The Thursday game gave North Wilkesboro the Mt. Airy series 2 to 1, the Flashers having booted the first game away when they had a bad night a-field. The second game went to North Wilkesboro 16 to 9.

KAISER

FRAZER

Service wherever you go

In just two years we've built and sold more fine cars than any other new manufacturer in automobile history.

Why? Because America fell in love with the KAISER and the FRAZER on sight. Folks are streaming into Kaiser-Frazer showrooms and learning from present owners how dependable these two great cars are. They're learning — from people who drive them — how soundly they are built . . . how economical they are . . . how much enjoyment there is in owning one.

THESE ARE THE MOST-COPIED CARS IN AMERICA, road-proved by 250,000 owners in two billion miles of driving.

Because plenty of Americans insist on comfort, convenience, style and value, traditional leaders had to "move over" — as Kaiser-Frazer became the fourth largest manufacturer of motor cars in the world in two short years.

Why wait? Enjoy your new car this summer. You'll get fair treatment and highest trade-in allowance.
