fortable. "The majority of people want to get the best possible value for their money, but many of them lack the information to enable them to tell which furniture is good quality and which is poor," so stated Miss Margaret Morrison, Assistant Home Agent, at the Cricket Home Demonstration Club Wednesday afternoon, September 1, when it met for its regular monthly meeting at the home of Mrs. Archie Lee Osborne at Oakwoods.

Mrs. D. E. Turner, President, called the meeting to order, and presided during the business portion of the program. "The Star-Spangled Banner," and "Old North State" were sung by the group, followed by the Club Collect being presented in unison.

After the reports from the different officers were heard, a

discussion was held concerning the products being prepared to make up the booth for our club during the week of the Fair, which begins September 13. This booth will be made up mainly of the many different ways in which apples may be canned and-or preserved. We wish to invite everyone to visit our exhibit when attending the Fair as it will prove to be most interesting to the homemaker.

Mrs. Dick Thompson, Recreational Leader, led, "Names of Ten Fine Birds," with prizes going to Mrs. Clyde Shoemaker and Miss Bonita Hayes.

Miss Margaret Morrison discussed many phases of the subject, "When You Buy Furniture." She reminded us that when we buy furniture we should ask ourselves if it is suitable for our house? Is it the right size and will it fit in with the other furnishings? We should always know whether the piece of furniture we are buying is sturdy, substantial and well made, and if the upholstery material is harmonious, fast color and will wear well, and if it is made along simple, graceful lines, which will remain in style for many years. Ask yourself, "What kind of an heirloom will it make?" Miss Morrison also showed us the different ways in which the joints of furniture are put together, and many different samples of upholstery materials. She also gave each one present a leaflet on this subject.

There were 30 present at this

meeting and we were glad to enroll a new member, Mrs. Mamie Church. We were also glad to have the following as visitors: Mrs. Clyde Hayes, Mrs. Glenn Anderson, Mrs. Carl Canter, Miss Bonita Hayes and Miss Beattie McLean.

The meeting adjourned by the group praying together the Lord's Prayer, directed by Mrs. Clyde Shoemaker.

The hostess was assisted by Mrs. Glenn Anderson, Misses Bonita Hayes and Glenna Anderson in serving delicious cup cakes and Coca-Colas.

MRS. BOB CHURCH, Reporter.

### Ramblers Have Ten Grid Games

Wilkesboro high school's Ramblers have a ten-game football schedule for the current season.

Taylorsville is scheduled to open the season against the Ramblers at Memorial Park in North Wilkesboro on the night of Saturday, September 18, but this game at present is indefinite due to the fact that the polo ban has prevented Taylorsville from getting in pre-school practice.

Remainder of the Wilkesboro schedule is as follows:

- September 24 — Maiden at Wilkesboro.
- October 1 — Granite Falls there.
- October 8 — Valdese at Wilkes-

boro.

October 15 — Mills Home there. October 22 — Elkin there.

October 30 — Jonesville at Wilkesboro.

November 5 — Appalachian at Boone.

November 12 — Childrens Home at Winston-Salem.

November 19 — North Wilkesboro.

Wilkesboro this year is a member of the newly organized Highlands Conference, of which Wm. T. Long, Wilkesboro district principal, is president. The conference foes for the Ramblers are Taylorsville, Maiden, Granite Falls, Valdese, Elkin, Jonesville and Appalachian.

Marvin Huffman, former Appalachian quarterback, is Wilkes-

boro coach, succeeding Eddie Adelman, who resigned to further his education at Peabody College, Nashville, Tenn. Last year Wilkesboro was undefeated and untied.

Potato requirements for military, civilian, and lend-lease use during the war were about 50 million bushels greater than the average production in pre-war years.

## Our Policy on **PONTIAC** Deliveries and Prices

Despite the fact that Pontiac has built over a half-million cars since the resumption of production after the war, demand still exceeds supply. In the face of this production record, those who place orders now will still experience some delay in delivery. If you

are among the many people who feel that Pontiac represents an outstanding value—and wish to order a Pontiac for future delivery—you will be interested in the following policy on retail distribution which we, as Pontiac dealers, will observe:

#### WE WANT YOUR ORDER

And the sooner you place it, the sooner you will get delivery. So if you want a Pontiac, order it now.

#### WE WILL ESTIMATE DELIVERY DATE

Due to conditions beyond our control, we cannot give you an exact date of delivery. But based on anticipated future shipments from the factory, we will, when you place your order, give you an honest estimate of when you may expect your car. Such estimates will be reviewed any time on request.

Since this is our "home town", our business and its future is based on our good relations with the people of this community. We are most happy that so many people here—as all over the country—have made Pontiac their number one choice as a new car.

#### ORDERS FILLED BY PRIORITY

A definite proportion of the cars we receive from the factory is set aside for preferential delivery to users whose work is in the public welfare and to others with certain occupational requirements. Otherwise, all orders will be filled on the basis of the time when they are received.

#### YOU PAY FACTORY-SUGGESTED PRICE

Due to changing economic conditions, we cannot, when you place your order, tell you exactly how much the car will cost when delivered in the future. But, at the time of delivery you will be charged only the factory suggested price on your model—which will be shown in a published list of local prices.

#### YOU SPECIFY ACCESSORIES

While most of our customers order their cars equipped with accessories, we do not force accessories as a condition of sale. You specify what accessories you want when ordering your car, and these are the ones (and the only ones) it will carry when delivered. Some items may be lacking due to current shortages; but none will be added.

#### REGARDING TRADE-INS

Naturally, if you have a car to trade, we would like to have it in order to take care of our regular used car customers. Our appraisals are fair, based on current conditions. But if you do not have a car to turn in, we still want your order and will accept it for delivery based on the conditions outlined above.

Nothing pleases us more than to turn over the keys of a new Pontiac to one of the many people whose orders we have, because we know they have chosen well—for Pontiac is always a thoroughly good car, and a thoroughly good value, this year, next year, any year.
