

Head One Of Carolina's Largest Families

Mr. and Mrs. Harrison Anderson, age 81 and 76, respectively, head one of the largest families in North Carolina. They were married February 5, 1889, and celebrated their 60th wedding anniversary in February this year. Both are in excellent health.

Mr. and Mrs. Anderson are parents of 17 children and another remarkable fact is that 15 of the 17 are now living. There are 77 grandchildren, 79 great-grandchildren, three great-great-grandchildren, making the total number of living descendants of Mr. and Mrs. Anderson 174.

This unusual picture shows five generations of the Harrison Anderson family. In the picture are Harrison Anderson; his daughter, Mrs. Bessie Call; Mrs. Call's son, Harrison Call; Mr. Call's daughter, Mrs. Sylvia Mae Brown; and Mrs. Brown's son, Larry Jay Brown.

RAMBLERS VS. MILLS HOME HERE; MOUNTAIN LIONS AT ELKIN; M. C. AT CRANBERRY

Wilkesboro Ramblers and Mills Home eleven will furnish the only home game of the week here when they meet Friday night, eight o'clock, in Memorial Park.

The Baptist Orphanage Gridders have an improved team this year and may give the Ramblers a real football test. The Wilkesboro team is in good condition for the game, having come through the contest with the tough Valdese gridders without serious injury.

And in nearby Elkin the North Wilkesboro Lions will take on the Buckin' Elks of Elkin high Friday night, eight o'clock, in Elkin's Memorial Park. Results of previous games indicate that the Elkin team is loaded, but North Wilkesboro has a fast and courageous team capable of making this year's game one of the best in the long rivalry between the two schools.

Millers Creek team, new in football this year, will journey to

Cranberry in Avery county for a game at one p. m. The Millers Creek lads will seek to avenge a 33-0 licking administered to them by Cranberry earlier in the season. The team showed marked improvement last week in defeating a strong Cleveland eleven 19 to 6.

F. A. member, a 770-pound Hereford, fifth place; and Miss Caroline Ferguson, daughter of Mr. and Mrs. T. W. Ferguson, Ferguson, Wilkes county, 4-H Club member, an 810-pound Hereford, sixth place.

Representative the Junior Chamber of Commerce as co-manager of the event along with County Agent Neill M. Smith was Fred York. Bill Stevenson, president of the Junior Chamber of Commerce, said the membership literally turned out as a "committee of the whole" to put the event over. He paid special tribute to the co-operation of Elkin business men and business concerns who chipped in a liberal amount of money to meet the expenses of the show. Animals ranking in the blue ribbon group drew \$10 each. Those in the red ribbon group drew \$7.50 each. Those in the white group drew \$5 each.

Fifty-six steers were shown, 10 from Surry county, 24 from Wilkes, 21 from Yadkin and one from Alleghany. The show was universally acclaimed the best ever held—there were fewer animals than have been shown at some times, but the quality of the livestock entered was by far the best ever.

Neill M. Smith opened the festivities (held at the Agricultural Exposition Building). Garland Johnson, chairman of the Elkin Agricultural Commktee, made the address of Welcome. L. I. Case, in charge of Animal Husbandry Extension at State College, gave a demonstration in cattle judging. Roger W. Murdoch and Howard M. Stamey, Iredell county Agents, then judged the animals, finishing sometime after noon.
