### Hallowe'en Carnival At Ferguson School

A Hallowe'en carnival with a varied and highly entertaining program will be held Friday night, eight o'clock, at Ferguson high school. A feature of the program will be a play, "Who Murdered Who?", which will be much in keeping with the season and provide much fun. There will also be games, fortune telling and other Hallowe'en entertainment features. Everybody is invited.

### Rev. Geo. E. Staples Will Preach Here

Rev. George E. Staples will preach twice at the Presbyterian Church Sunday, October 30. The morning service is at 11:00 and evening worship at 7:30. Both services will be held in the sanctuary of the church. Mr. Staples has been acting as supply pastor at the First Presbyterian church, Winston-Salem and is now doing some work in connection with the Union Theological Seminary of Richmond, Virginia. He preached here two weeks ago and those who heard him were impressed with the splendid message of this young minister. Everyone is cordially invited to attend these services.

## Mr. Motorist

There's been a lot of MYSTERY about this wheel aligning business—a lot of technical talk about such things as "camber," "caster," "toe-in" and other terms to explain why your automobile steers hard or wears out tires as fast as you can buy new ones. We don't believe in ghosts or mystery stories and that's why we've installed a new John Bean VISUALINER in our Steering Service Department.

The VISUALINER is the first machine we've ever seen that makes driving easier and safer by harnessing beams of light. Checks wheel alignment quick-as-a-flash and projects a "picture" on a screen so that you can see for yourself whether your car needs attention. It's no secret that faulty wheel alignment can cause "wandering," "road weave" and other hard steering symptoms. So, drive in today and let the VISUALINER show you whether your automobile is right for the road.
