RROM THE OLD MILL STREAM

Most of the industry in oui

Piedmont Carolinas wa: "down by the Old Mil
Stream" when this century began. The rains came, and cometimes the little riversiide

Then adventuresome engi neers began to turn power wasting at falls and shoals into electricity. They transmittec tance from the rivers. These Factory loss by flood ended

Such river sites as could b. reached and profitably de it was found that in time ot drought, streams proved in adequate to power needs
the awakened Piedmont
cilities for steam generation were begun and have con If ${ }^{2}$ Duke System one olant now under construction. th. VIC 7 our present expasition program, will produce mote than served by the Duke Power Comping.

## Plentiful Foods

For Month Listed

 culture's plentiful foods list for January, Mrs. Annie H. Greene.
 the State College Extension
Service, reported this week. Servine, reported this week.
Winter are at their prime in January, Mrs. Greene
said, and the apple crop said, and the apple crop, accord-
ing to latest figures, is 50 per ing to latest figures, is 50 per
cent larger than in 1948 and cent larger than in 1948 a
20 per cent bigger than the av
erage erage for the past 10 years.
Dried beans, USDA estimates,
USt Dried beans, USDA estimates,
will set a record this year. Both
dried dried beans and peas, classed as
excellent protein foods by USDA nutritionists, are in ample supply on Southern retail markets, the home agent said. Pick of the fruits from the
standpoint of quantity will be cranberries, oranges, and dried
prunes prunes and raisins. For specialty foods, Mrs. Greene suggests the
plentiful tree nuts-walnuts plentiful tree nuts-walnuts, al-
monds, pecans, and filberts-as well as honey, sugarcane sirup, and molasses.
Turkeys remain in the plentiers and fryers January, and broilers and fryers are also recom-
mended buys for pers. For still another chot hopmeats, Mrs. Greene suggested pork and pork products, plent1-
ful at reasonable pricess frozen fish. Manufactured dairy products and seasonally increas
ing supplies of eggs are othe ing supplies of eggs are other
protein foods to be found on protein foods to be found on
January markets in ample sup-
ply.

A friendly host to travelers
