### Clunk! And Money Was Deposited

Burlington, Jan. 3.—The amount of cash on hand at the National Bank of Burlington today weighed 166 1-2 pounds more after one depositor had completed his transactions.

Maybe tellers at the bank are used to seeing unusual sights as they meet the public daily, but they nevertheless showed much surprise when they viewed Fred Fuqua, treasurer of the Glenhope Baptist Church, coming in to the door with a peach basket two-thirds full of silver.

They all breathed a sigh of relief, too, when they learned that all of it had been counted previously.

Fuqua, who is chairman of the building committee for the new Glenhope church along with his duties as treasurer, made the deposit after he and two other men had counted the donations following the Sunday morning service at the church when a special building fund project was concluded.
