Mrs. R. L. Moorehouse Addresses Club Meet

For their Educational program the members of the North Wilkesboro Senior Woman's club were fortunate in having Mrs. Robert Moorehouse speak to them in their monthly meeting held Monday afternoon at the clubhouse. Mrs. J. B. Williams, program chairman, presented the speaker.

Mrs. Moorehouse proved herself equally as adept a speaker as she is a writer in choosing a

her subject, education, especially that branch of schooling which has to do with teaching a child to read—and to read properly. Mrs. Moorehouse envisions for Wilkes county schools the service of a teacher trained to work exclusively with children, who have experienced difficulty in learning to read, since it has been proven that every one can, through advance scientific methods, become proficient at this most important of the three R's. Mrs. Moorehouse presented her cause so persuasively that no one in the audience could have failed to respond and share her enthusiasm.

The meeting opened by singing the club hymn, using the Collect as a prayer, which was led by Mrs. C. Don Coffey, Jr. "The Challenge of the Future" by Mrs. J. Blair Buck, president of the General Federation of Woman's Clubs, was read by Mrs. Jack Swofford.

Mrs. Ivey Moore, the president, presided for the business session. The club voted to make a donation of \$10.00 to the Polio Fund and to help support this drive in every way possible. It was also voted to send a gift of \$5.00 to the United Nations International Children's Emergency Fund.

A letter was read from Horton's Appliance Company expressing to the club their appreciation for members sponsoring the Frigidaire Cooking School, and enclosed was a check for \$41.60 giving the club five cents per person attending the school.

A new member, Mrs. N. S. Forrester, Jr., was welcomed into the club, and a visitor for the afternoon was Mrs. Charles Ziliak from the Junior Woman's club.

An outstanding report presented at the meeting was the one given by Mrs. J. H. McNeill, chairman for the T. B. Seal Sale. Mrs. McNeill reported the amount to date was \$3,571.47, which is an increase over \$2,504.34 for 1948. Of this amount \$2,678.60 will be used in Wilkes county and \$892.87 will go to the National Association for research and education.

The fine results from this campaign will make it possible for the County to do a number of things listed as follows:

1. Pay part of J. Frank McNeill's salary as X-ray technician at hospital.
2. Finish paying for linoleum flooring.
3. Furnish streptomycin, PAS and Tibione, (T. B. drugs) for patients unable to purchase their own.
