Eleven Pickets Shot Near Coal Mine

Morgantown, W. Va., April 20 — Eleven men were wounded today when operators of a small nonunion mine fired upon United Mine Workers Union pickets marching toward the pit. All but one of those wounded were union miners. State police arrested Asa Province, owner of the mine and seven of his employees and partners. Every North Carolina farm should be prepared for emergency treatment in case of accident. This means that a first aid kit is essential farm equipment.

President Of Mount Pleasant Home Club

Shown here is Mrs. Jake Eller, president of the newly organized Mount Pleasant Home Demonstration club. The Mt. Pleasant club was organized in January, 1950. Being a new club, we haven't gone far but we have plans to beautify our meeting place in the near future, which is the Mt. Pleasant school lunch room. At the present time, we are

selling all occasion cards to raise money for this project, the club president said. Attention! Mail or take renewal or new membership to Community Concert Association to Miss Lois Scroggs at the Northwestern Bank. Save time and that of a solicitor during the membership campaign.
