Child's Kidnaping Report Investigated
Troy, June 15 — Montgomery County officers tonight sought two men who forced 12-year-old Bobby Furr into their automobile this morning.
The boy told officers he jumped from the car when it slowed down at a curve and ran through the woods to a relative's home.
Officers gave this version of Bobby's story: The boy was cutting grass at his home three miles from here this morning when two Negro men entered his yard. He told them his parents, Mr. and Mrs. B. M. Furr, were not at home. He said they grabbed him and forced him to enter their car. After traveling about three miles, the car slowed down and Bobby said he jumped out.
