## GIRLS ENJOYING CAMP MULBERRY THIS WEEK

"Happy Days," say the Wilkes county Girl Scouts who are camping at Mulberry School this week.

There are 72 girls and 13 counselors under the able direction of Mrs. Robert Gibbs.

Everything is going fine, and it seems to the girls that everyone is doing their best to make them have a wonderful time.

Even the weatherman has been cooperating so far this week. Of course it has to rain some because these are dog days, but it has been raining mostly at night.

This is the first of the four annual camping periods that the weatherman has been so considerate. It would be hard for the campers to say which activity they enjoy the most; of course eating is a favorite with all and the food is good.

The girls all enjoy the story telling, the nature study, the music, the hiking and the dramatics and folk games.

Everyone is having fun with arts and crafts, making many attractive and useful things which the parents and friends will see Thursday night.

Thursday night between 6:30 and 8:30 is visitors night.

Monday night the girls had the pleasure of seeing a marionette show put on by troop 3 (The Woodlawn Troop).

The older girls expect to go on over night hikes. They are hoping for good weather.

We are all enjoying the Library that the Bookmobile set up for us.

The campers have had several special treats sent to them by kind friends in town. Mr. Palmer Horton sent punch out Monday.

The Biltmore Dairy Farms gave us ice cream Tuesday.

So one can see why many of them agree with one of the Brownies when she said, "I hope camp never ends." But all good things have to end sometime and Camp Mulberry will close Saturday morning at 10:00 o'clock.

## 11 Examined At Cancer Center Tuesday Morning

On Tuesday, July 11th, the Wilkes-Alleghany county Cancer Center held its weekly clinic. 11 appeared for examination, 6 white women, 4 white men, 1 colored woman, 0 colored men.

Mrs. R. H. McNeill served as Chairman of Receptionists, and assisting her were Mrs. John Cashion and Mrs. Phil Forester.

Eleven examinations were completed, and nine patients were referred to their personal physicians for medical attention.

The Center is staffed by members of the Wilkes-Alleghany County Medical Society.

Three priorities were given to those who arrived too late for examination.

There were several from out of town. Two came from Hickory, two from Sparta, two from Thurmond, and one from Ennice.

Examinations are free to all women 35 or over, all men 40 or over, and to anyone with a symptom or a "danger signal," regardless of age.

The Clinics are held every Tuesday morning in the Wilkes County Court House. Registration is from 9:00 to 10:00 a. m.

Frequently there are more applicants for examination than can be accommodated. Therefore, in order that those who live at a distance may be sure of an examination and thus not make a trip in vain, priorities will be sent, on request, to all who live twenty miles or more from Wilkesboro. Address your request to Cancer Clerk, Wilkesboro, N. C. and indicate two dates on which you could come for examination.

## NATIONAL GUARD BATTERY MAKES PROGRESS IN CAMP

Battery C, 112th Field Artillery Battalion, local National Guard unit now on active duty with the 30th Infantry Division at Fort Jackson, S. C., is showing progress in its summer training, according to Lt. Col. Clarence B. Shimer of Raleigh, G-3 assistant chief of staff for the division. Battery C is commanded by Captain Claude C. Faw, Jr., of North Wilkesboro.

The 30th Division, nicknamed "Old Hickory," comprises units from both Tennessee and North Carolina, which are undergoing strenuous maneuvers at the South Carolina post. In addition to the division units, several non-divisional units from North Carolina are attending the encampment. Major General John Hall Manning, of Raleigh, commands the 30th, and Colonel Paul Younts is divisional chief of staff.

Among training undertaken by various units of the 30th are courses in tactics for infantry and artillery, pistol firing, carbine firing, qualification with the rifle, machinegunnery, section training, mortar firing, howitzer firing, and general artillery practice. The Guardsmen are passing their leisure hours pleasantly with the Fort Jackson pool and lakes getting their share of attention these hot days. A softball tournament with dozens of teams entered is now underway, and a golf tournament is in prospect. Base theatres, post exchanges, enlisted men's clubs, and officers' clubs are available for personnel of the National Guard encampment.
