# A THOROUGH FAMILY MEDICINE!

The worst diseases known to the human race spring from cavses so small as to almost defy detection. The volumes of scien tific lore that fill the tables and shelves of the medical fraternity only go to prove and elaborate these facts.

It is our desire to make The Star a wel-ome visitor to all those who feel an interest in the prosperity and welfare of our country as a whole, and the perpetuity of our institutions, as handed down to us by our noble an-

cesty, a Federal Republican Government.

Our people have but lately emerged from a gigantic civil war, waged by and between Sections of a once glorious Union, and more desolating to our particular section, than anything that has ever happened on this contin-

ent, and it is to be hoped, than ever will again.
While there is life there is hope, and notwithstanding the great changes wrought by the late civil war, we shall encourage the people to honesty, industry and economy, we shall take special pains to keep them posted with all beneficial improvements of the age, so that they may once more enjoy bountiful

stores prosperity and happiness.

We shall from time to time publish such laws, both State and National, as our people are drectly concerned in, and shall likewise use of influence to establish a sound circulating surrency, so much needed at the present

We shall be governed by principles and not men, for according to our honest conviction, the present condition of our country is owing to the abandonment of principles, we mean the abandonment of those fundamental principles upon which the Government of the Uni-

ed States was reared. We shall favor and encourage the developnent of all our resources, Agricultural, Mineral &c., and likewise such internal improvements as will most likely be beneficial to the Country, and especially the extension of the Wilmington, Charlottee and Rutherford Rail

As to Politics we are True Conservatives, believing neither in the Fire Eaters of the South, nor the Radicals of the North, but in the Constitution, the Union. and the enforcement of all Constitutional laws, whether State or Federal, and a ready and willing obedience

to the same. The Star will be published every Wednes-day at the following rates, (strictly in advance.) payable in currency or produce at
