The Old North State

SALISBURY, FRIDAY, JAN. 6, 1871.

REPORT OF THE COMMITTEE OF THE SENATE "TO ASCERTAIN THE ACTUAL AMOUNT OF MONEY IN THE TREASURY."—The committee created by a resolution of the Senate, adopted December 8th, 1870, entitled a resolution to "ascertain the actual amount of money in the Treasury," reported under three distinct heads, to wit:

1. Amount of general fund,
2. Amount of special tax fund,
3. Amount of literary fund,

beg leave to report that they find in the hands of the Treasurer $531,213.21. Of this sum $55,213 50 are special deposits of Sheriffs on account of taxes for the year 1869, and $20,354 32, special deposits of Sheriffs on account of tax for 1870. These deposits $75,567.73 are not available because they cannot be apportioned among the several funds, until these Sheriffs pay in their several balances. Your committee further find that $484,859.69 were collected under the "special" tax acts during the autumn of 1869, and paid into the Treasury. That under authority of law, the Treasurer had up to January 20th, 1870, paid out of this fund $308,470, when he was forbidden by the General Assembly to make further payments. That of the residue $276,389 69, he was directed by the General Assembly, ratified March 12th and 28th, 1870, to borrow and use $250,000 of said sum for certain purposes specified in said acts, and replace the same out of any moneys that might come into the Treasury, by way of dividends of corporations or of taxes heretofore or hereafter to be levied. Of this sum so used $172,172.76 has been replaced in the Treasury, from the sources mentioned above, leaving a deficit of $77,827.24 of the sum borrowed, under the acts aforesaid. Your committee sum up as follows:

Money in the Treas'y Dec. 10, 1870,	$531,213 21
Amount of gen'l fund,	$ ——
Am't of special tax fund,	198,662 45
Am't of literary fund,	257,083.13
Spec'l deposit of Sheriffs for the year 1870,	20,354 23
	$531,213 21

All of which is respectfully submitted,

STARING AT LADIES.—Mayor Baxter, of Louisville, is decidedly ungallant, or the precise reverse—we leave it to our readers. The City Council recently passed "an ordinance to protect females while passing along the streets." The alleged reason for the enactment was the offensive staring at the ladies by men standing on on the streets. The Mayor vetoed the bill, saying that if any man insulted a woman he could be arrested for disorderly conduct, under existing laws. A simple look, even if prolonged, did not, in his opinion, constitute an insult, and he did not believe the ladies would resent it. "For my part," continues the worthy official, "I think there is nothing on earth more pleasing than a handsome, well behaved woman; and the man that cannot appreciate and be grateful for such, ought to be fined; but to fine a man for looking with admiration upon the ladies is something I cannot approve of."

But there were more than sentimental reasons involved, and the Mayor thought he avoided great trouble by the interposition of a veto. We quote his own words:

"If this ordinance should become a law, all our adult male population would be liable to be sent to jail, and I am afraid not a few would have to be fined; while it is even possible that some of your honorable selves might be surprised to find yourselves victims to its sweeping prohibitions. Besides, our police force would, in my opinion, have to be largely increased to carry out its provisions, and we seem to have too many ordinances now that are impracticable of enforcement without passing others that would be open to the same objection."

A STRANGE CASE.—A gentleman, who only a few years since was one of our leading merchants and distinguished in financial circles, has lately become possessed with the extraordinary hallucination that he is not the rightful and equitable owner of all his property, but that it really and justly belongs to an old and faithful porter who for forty years, was employed in his establishment. Acting upon this insane idea, he made application to a well-known law firm in the old Howard House building, corner of Broadway and Maiden lane, to convey the largest portion of his property to the old porter, on the ground that through his honesty and exertion he amassed nearly all of his wealth. This case is another illustration that the human mind is a very marvellous piece of machinery. This hallucinated man, instead of going to his old legal adviser, seeks a strange lawyer in order to more successfully carry out his design. The gentleman to whom the application was made thought it a most extraordinary proceeding, and by way of humoring him, took his name and residence, and informed him he would have the papers ready for his signature the next day. The old gentleman was anxious to have the papers completed at once, but was finally made to understand they could not be before next day. In the meantime the lawyer, Mr. P——, communicated with the family in regard to what the old gentleman proposed to do. Of course they were alarmed in regard to the extraordinary proceeding. To-day application was to be made to Judge Manard to "shut out a writ de Lunatico." One of the strangest things connected with the case is, that the old gentleman seems to be rational enough upon every subject except this one.—*N. Y. Commercial.*

The session of the State Legislature of Georgia in 1863 cost $70,000 in Confederate money. The late session of one hundred and twelve days cost $830,000, of which $82,600 was for rent hire. The

WHAT THE CITY PRESS SAY:

PRIZE DRAWING.—Quite a crowd assembled at the Theatre yesterday noon, to witness the Grand Drawing of the North Carolina Beneficial Association. There were 100 prizes in all, and little rolls of paper separating these were placed in a wheel on one side, while the tickets were in a wheel opposite to the former. Between the two was a table, at which sat the Judges and Mr. John London, Commissioner. The wheels were made with glass sides, so that everything within them could be seen and were securely locked, until the drawing began. This was done by means of two little boys, who were securely blindfolded, one drawing a number from one of the wheels and the other the prize to correspond with it. There is no question but that the drawing was done in a perfectly fair and just manner.—*Wilmington Daily Journal, Dec. 2nd.*

THE GRAND DRAWING YESTERDAY.—The grand single number distribution of the N. C. Beneficial Association, which took place at the Theatre yesterday, at 1 o'clock, was the all-absorbing theme during the day. The drawing took place in public, a committee having been selected from the audience to act with the Commissioner in keeping an account of the same and to see that it was conducted fairly. Quite a respectable crowd was present to witness the drawing. The following numbers drew the principal prizes: No. 3310, $5,000; No. 6000, $2,500; No. 5776, $2,500; No. 2882, $2,000; No. 14 7, $2,000; No. 1412, $1,000; No. 1486, $500. The Certificate No. 1407 was sold to a citizen of Wilmington, N. C.—*Wilmington Morning Star, Dec. 2nd.*

The Great Medical Discovery!
Dr. WALKER'S CALIFORNIA
VINEGAR BITTERS,

Hundreds of Thousands
Bear testimony to their wonderful Curative Effects.

WHAT ARE THEY?

THEY ARE NOT A VILE
FANCY DRINK,

Made of Poor Rum, Whiskey, Proof Spirits, and Refuse Liquors, doctored, spiced, and sweetened to please the taste, called "Tonics" "Appetizers," "Restorers," &c., that lead the tippler on to drunkenness and ruin, but are a true Medicine, made from the Native Roots and Herbs of California, free from all Alcoholic Stimulants. They are the GREAT BLOOD PURIFIER and LIFE GIVING PRINCIPLE, a perfect Renovator and Invigorator of the System, carrying off all poisonous matter, and restoring the blood to a healthy condition. No person can take these Bitters according to directions, and remain long unwell.

$100 will be given for an incurable case, providing the bones are not destroyed by mineral poison or other means, and the vital organs wasted beyond the power of repair.

For Inflammatory and Chronic Rheumatism, and Gout, Dyspepsia or Indigestion, Bilious, Remittent, and Intermittent Fevers, Diseases of the Blood, Liver, Kidneys, and Bladder, these Bitters have been most successful. Such Diseases are caused by Vitiated Blood, which is generally produced by derangement of the Digestive Organs.

They invigorate the stomach, and stimulate the torpid liver and bowels, which render them of unequalled efficacy in cleansing the blood of all impurities, and imparting new life and vigor to the whole system.

Dyspepsia or Indigestion, Headache, Pain in the Shoulders, Coughs, Tightness of the Chest, Dizziness, Sour Stomach, Bad Taste in the Mouth, Bilious Attacks, Palpitation of the Heart, Copious Discharges of Urine, Pain in the regions of the Kidneys, and a hundred other painful symptoms which are the offsprings of Dyspepsia, are cured by these Bitters.

Clear the Vitiated Blood whenever you find its impurities bursting through the skin in Pimples, Eruptions, or Sores; cleanse it when it is foul, and your feelings will tell you when. Keep the blood pure and the health of the system will follow.

PIN, TAPE, and other WORMS, lurking in the system of so many thousands, are effectually destroyed and removed.

For full directions, read carefully the circular around each bottle, printed in four languages—English, German, French, and Spanish.
