

A HIGHLY IMPORTANT CAUTION TO THE PUBLIC BY DR. WILLIAM EVANS, 100 CHATHAM STREET.

Diseases general and special - Cases not titubate.

BEWARE LEST YE STUMBLE.

DOCT. WILLIAM EVANS, 100 CHATHAM STREET, avails himself of the present occasion to tender his most unfeigned acknowledgments to the numerous members of society who (suffering under all the pains and aches that flesh is heir to,) have entrusted themselves to his care. He has the satisfaction of knowing from many living evidences, that his remedies have done their duty as far as lies within the compass of human means. How distressing to the afflicted is Dyspepsia or indigestion, poisoning all the sources of their enjoyment, and leading in many instances to the miseries of confirmed Hypochondriasis! Long as it has been the subject of inquiry by medical authors, it remains in much obscurity - Apoplexy, diseases of the Liver, Kidneys, Spleen, Stomach, and Intestines, Bladder and its appendages, Diarrhoea, Dysentery, 'Cum Multis Allis,' perform parts in the drama of Morbid Affections. Dr. Evans has been singularly successful in the treatment of the above diseases, by remedies drawn from his own and the researches of the most eminent medical men in the world. He has also had vast experience and success throughout the whole family of delicate diseases, the impure tendencies of which are aggravated by and rooted in the constitution through the base conspiracies of Mercurial morderers, unprincipled, uneducated and unpractised, in any art save that of attempting to lead the credulous victim on the 'road to ruin.'

Dr. Evans' office, 100 Chatham street, is supplied with the choicest remedies from home and foreign markets, and compounded by a master's hand on scientific principles. A physician is always in attendance, and a private office. All those who come there in the hour of need, will go off rejoicing.

LIVER COMPLAINT, OF TEN YEARS STANDING. - Mrs. HANNAH BROWNE, wife of Joseph Browne, North Sixth st., near Second st., Williamsburgh, afflicted for the last ten years with Liver Complaint, restored to health through the treatment of Dr. Wm. Evans. Symptoms: - Habitual constipation of the bowels, total loss of appetite, excruciating pain of the epigastric region, great depression of spirits, languor and other symptoms of extreme debility, disturbed sleep, inordinate flow of the menses, pain in the right side, could not lie on her left side, without an aggravation of the pain, urine high coloured, with other symptoms indicating great derangement in the functions of the liver.

Mrs. Browne was attended by three of the first physicians, but received but little relief from their medicine, till Mr. Browne procured some of Dr. Wm. Evans' invaluable preparations, which effectually relieved her of the above distressing symptoms, with others, which it is not essential to intimate.

JOSEPH BROWNE, City and County of New York, ss. Joseph Browne, Williamsburgh, Long Island, being duly sworn, did depose and say that the facts set forth in the within statement, to which he has subscribed his name, are just and true.

JOSEPH BROWNE, Husband of the said Hannah Browne. Sworn before me, this 4th day of January, 1837. PETER PINCKNEY, Com. of Deeds.

Another recent test of the unrivalled virtue of Dr. Wm. Evans' Medicines - DYSPPEPSIA, TEN YEARS STANDING. - Mrs. M. McKenzie, 176 Stanton street was afflicted with the above complaint for ten years, which incapacitated him at intervals, for the period of six years, in attending to his business, restored to perfect health under the salutary treatment of Dr. Wm. Evans.

The Symptoms were. - A sense of distension and oppression after eating, distressing pain in the pit of the stomach, nausea, impaired appetite, giddiness, palpitation of the heart, great debility and emaciation, depression of spirits, disturbed rest, sometimes a bilious vomiting, and pain in the right side, an extreme degree of languor and faintness; any endeavour to pursue his business causing immediate exhaustion and weariness.

Mr. McKenzie is daily attending to his business, and none of the above symptoms have recurred since he used the medicine. He is now a strong and healthy man. He has resorted to myriads of remedies, but they were all ineffectual. He is willing to give any information to the afflicted, respecting the inestimable benefit rendered to him by the use of Dr. Wm. Evans' medicine.

A Real Blessing to mothers. Dr. Wm. Evans' celebrated Soothing Syrup, for children cutting their teeth.

This infallible remedy has preserved hundreds of children, when thought past recovery, from convulsions. As soon as the Syrup is rubbed on the gums, the child will recover. The preparation is so innocent, so efficacious, and so pleasant, that no child will refuse to let us gums be rubbed with it. When infants teethe at the age of four months, though there is no appearance of teeth, one bottle of the Syrup should be used on the gums, to open the pores. Parents should never be without the Syrup in the nursery where there are young children; for if a child wakes in the night with pain in the gums, the Syrup immediately gives ease by opening the pores and healing the gums; thereby preventing Convulsions, Fevers, &c.

Proof positive of the Efficacy of Dr. Evans' soothing Syrup.

To the Gent of Dr. Evans' Soothing Syrup: Dear Sir - The great benefit afforded to my suffering infant by your soothing Syrup, in a case of protracted and painful dentition, must convince every feeling parent how essential an early application of such an invaluable medicine is to relieve infant misery and torture. My infant, while teething, experienced such acute sufferings, that it was attacked with convulsions, and my wife and family supposed that death would soon release the babe from anguish, till we procured a bottle of your syrup; which as soon as applied to the gums, a wonderful change was produced, and after a few applications, the child displayed obvious relief, and by continuing in its use, I am glad to inform you, the child has completely recovered and no recurrence of that awful complaint has since occurred; the teeth are emanating easily and the child enjoys perfect health. I give you my cheerful permission to make this acknowledgment public, and will gladly give any information on this circumstance.

\$50 REWARD. ABSCONDED about the last of October, from the subscriber, at that time residing in Stokes County, N. Carolina, my Negro man COLEMAN, about 27 or 28 years of age, and of a very bright complexion. He is a Shoemaker by trade, has a very bushy head of hair, a thin visage, is spare built and weighs from 135 to 140 pounds. He has a very large scar on one of his legs near the ankle, believed to be on the right leg, also a scar on each arm just below the elbow occasioned by a burn. His heels have been frosted, which injury has left scars upon them. Coleman has a wife (a free woman) near Blakely, N. Carolina, and it is probable that he may be in that direction, although many persons believe that he was decoyed off by a white man, named Joshua Young, who left the neighborhood about the same time for Indiana. I will give a reward of Fifty Dollars to any one who will deliver Coleman to me near Brook Neal in Campbell County Va. or who will confine him in jail, so that I get him in my possession. LATH,

GRANDSIRE BY THE AMERICAN ECLIPSE.

CHAMPION OF AMERICA: WINNER of the GREAT MATCH RACE THE NORTH vs. THE SOUTH: \$20,000 ASIDE!

THE thorough-bred Horse Lath, bred by Col. W. Hampton, of S. Carolina, will make his second Season at Salisbury, commencing on the 21st inst., and ending on the 20th of June next, at \$20 the Season, and \$30 to insure, the money to be paid as soon as the mare is ascertained to be in foal, or the property changes owners, and fifty cents to the groom. Mares sent from a distance will be well attended to, and fed with grain at 30 cents per day. Those that wish it, a good lot will be furnished gratis; but in no instance, will I be responsible for accidents or escapes. R. W. LONG. Salisbury, Feb. 19, 1840.

PEDIGREE: I Certify that Lath was bred by me, and that he was foaled in the Spring of 1833. He was got by Godolphin, his dam Pocahontas, by Sir Archy; his g-dam Young Lottery, also, Sir Archy, out of Col. Singleton's celebrated Lottery, by the imported Bedford out of the imported mare Anvilina; Godolphin was got by Eclipse; his dam Sylph, by Haphestion out of Lottery by imported Bedford, &c. - Haphestion was got by the imported Bazzard out of the dam of Sir Archy.

DESCRIPTION, PERFORMANCE, &c. LATH is a fine bay, without white, 15 hands 3 inches high, with good bone, and capital action. At 3 years old, he won the produce stake at Columbia, 2 mile heats, beating Mr. Taylor's Filly, Daisy, and Captain Spann's Colt, Convention, nine others paying forfeit. Two weeks afterwards he won the Jockey Club Purse, 3 mile heats, at Augusta, beating Kite, and distancing Black Bird. At Charleston he was beaten by Clodpoper for the Jockey Club Purse, 3 mile heats; being very much amiss, he was drawn after the first heat. At 4 years old he won the Jockey Club Purse, 4 mile heats, at Camden, beating Sir Kenneth and Dorabella at 3 heats; losing the first in consequence of bolting when several lengths in advance of the field, just before he reached the judges' stand; and getting entangled amongst the carriages, he sustained an injury which occasioned his withdrawal from the Turf.

LATH was a race horse of the first class, which he evinced in his trials with Bay Maria, Charlotte Russe, and Kitty Heth, and in point of blood he is inferior to none, whether imported or native. His constitution is robust, having never been sick, and his temper good. His color, form, and action, speak for themselves. In a word, Lath unites in himself as many claims to public patronage, as any young Stallion that I know. W. HAMPTON. Willwood, Jan. 22, 1839.

From the above Certificate of Col. Hampton, who bred and had LATH trained for the Turf, it will be seen that he considered him a Race horse of the first class, - not only from the races he has mentioned as having run publicly, but from private trials he has made with horses which are now on the Turf, and running with considerable success. It will also be observed by his certificate, that he considered Lath of the purest blood, - not to be surpassed by any horse, imported or native.

I consider it entirely unnecessary to attempt to enlarge LATH, either for his performances on the Turf or to his blood, since in every respect he is so well attested. But will remark that LATH has not only descended from pure blood, but has come from stock both Sire, Grand-sire, Dam, and Grand dam, that are of the running blood. For instance, his sire Godolphin made his four miles in 7 minutes and 50 seconds, his Grand-sire, the American Eclipse so well known at the North and South, made his time in the great match race, the North against the South, \$20,000 aside, in 7 minutes and 37 seconds, which Eclipse won with considerable eclat. This race which gained him the memorable name of the Champion of the North; his dam sired by the renowned Sir Archy, whose reputation as a racer, &c., stands unquestioned both in England and America. The grand dam of LATH, Old Lottery, bred by the great Southern Amateur of horses, Col. R. Singleton, of South Carolina, has produced more fine race horses than any other mare in the Union. Thus it will be seen that there is united in LATH two of the best studs of the South, Hampton's and Singleton's, crossed with Gen. Coles, of the North.

The public is now presented with such an opportunity of improving the blood of that noble and useful animal; the horse, as rarely occurs in this section of country. And the Public can have in addition, in a short time, the opportunity of judging more satisfactorily of Lath's blood, &c., by his colts, of last Spring's get, as it is expected there will be many of them dropped by mares in this section in a few days. As a sure fall-gutier, Lath stands almost unrivalled, as is proven by his last Spring's services - so very few of the large number of mares put to him not proving in foal.

N. B. Mares sent from a distance will find LATH always at home, as he will not be removed from his stable in Salisbury, under any circumstances, during the Season. April 10 - 3w37
