

WHIG PROPHECY!

The following significant passage is taken from the letter of Mr. CLAY, written during the late Presidential canvass, on the annexation of Texas:

"Under these circumstances, if the government of the United States were to acquire Texas, it would acquire a balance which Texas is under, and among them the account or suspended war between Mexico and Texas of that consequence they cannot be a doubt. Annexation and war with Mexico are identical."

This position, says the Richmond Whig, was warmly denied by the advocates of annexation although General Houston, one of the Texas Senators, now boldly attempts in the teeth of the arguments of his old friends, to vindicate the policy of the Executive in advancing our army to the Rio Grande, by alleging that Texas and Mexico being at war with each other when Texas was annexed, the United States necessarily inherited that war, and that we are bound to prosecute it even though no act of hostility had been perpetrated by the government or troops of Mexico!

"The New York Evening Post, [a Locofoco paper], reminds us of another lapse of memory on the part of its political associates. When the question of annexing Texas was debated, it admits that the convenience of such a barrier as the broad and sandy waste between the Rio Nececes and the Rio Grande, was much dwelt upon by the friends of the measure. But, as the Post remarks, we have now passed over that barrier already, (claiming as our own the territory beyond the desert, which was spoken of as such an admirable natural boundary,) and are beginning to talk of no other immediate boundary than the great mountain chain, the mother ridge, that forms for the present a bulwark to the table lands of Mexico! At what point we are finally to pause, who shall now say?"

It will be remembered that Mr. Leak, in his speech here on the 7th instant, proclaimed it excitingly, that Texas had been annexed without a war—that the prediction of the Whigs that there would be war if annexation did take place had been falsified as all their predictions have turned out. But to the proof of their falsity. Where is it? Who has prophesied falsely, the Whigs or the Locofocos? The Whigs said there would be, and we are now engaged in a war with Mexico about Texas, in which the blood of some of our best countrymen has been shed, through the blundering management of Locofoco rulers! Let this undeniable fact be remembered. Let it be remembered that the democratic party were told time after time, their object was to plunge our country in an unholy war with a neighboring Republic, and that it has come to pass.

THE ELECTION IN N. CAROLINA.

The Alexandria Gazette of the 20th instant, makes the following remarks respecting the election which takes place in this State, in August next, and which we trust may be fully realized. As to the success of our candidate for Governor we entertain not a doubt; and so far as regards the Legislature, if we do our duty we must carry that body by a triumphant majority. Here are the remarks of the Gazette: "An election takes place this summer in North Carolina, for Governor and the Legislature. We need not say how confidently the Whigs of the whole Union look to their brethren in that State, for a manly and triumphant show of their principles and their strength. The political sentiment of North Carolina is undoubted. The 'Old North State' is true. Let her take care that her firmness be made an example to all her sister States. The re-election of Governor Graham, the present able and efficient Chief Magistrate, we presume, is secured. The Legislature to be chosen, it is important, should be decidedly Whig. It will have to select a Senator of the U. States, and on that account, especially, do we, and the Whigs, generally, throughout the country, feel doubly interested in the success of the cause. We appeal, then, to the undiminished Whigs of North Carolina, to be active, vigilant and determined in this matter.—They should remember that they are acting, not only for themselves, but for their whole country—and their exertions should be made to correspond to the honorable expectations which are excited out of the State. It is not for us to dictate to them, or even to counsel them in their State elections. But we can, without interference, express to them the interest which is felt for their success, by all who hold their political opinions, and the ardent hopes that are entertained that they will not disappoint the predictions of their friends. To unite upon their best and strongest men, in every county in the State, and to return a triumphant majority of Whigs, will, we trust, be their pleasure, as it will certainly be their duty."

IT WILL DO.

Every Clerk in one of the principal mercantile houses of this Town, and every Printer, who excepted, have volunteered in the Company now forming here.

It will be seen by the proceedings of the meeting held on Thursday evening, that an adjourned meeting will be held at the Court-house, on Monday evening next, at which time Robt. E. Love, will deliver an address. The citizens of Salisbury and vicinity, are requested to attend.

The attention of the public is directed to the advertisement of Messrs. Boger & Wilson, announcing the reception of a new and beautiful supply of Jewelry. Those wishing articles in their line of business, will find it to their interest to call on them.

WHIG MEETING.

Pursuant to public notice a large and respectable number of the Whigs of Rowan met at the Court-House in Salisbury, on the 23d instant, for the purpose of nominating candidates to represent them in the next Legislature. The meeting was called to order by the election of Capt. John McCulloch, as Chairman, and the appointment of J. J. Bruner, Secretary. The Chairman explained the object of the meeting in a few handsome remarks; whereupon, H. C. Jones, Esq., proposed that a Committee be appointed, comprising men from all sections of the county, whose duty it shall be to consult together, and to report the names of suitable candidates to the meeting. This having been agreed to, the following gentlemen were appointed on said committee, viz: Henry Lentz, Jacob File, Casper Holtzhauser, Leonard Klutts, Daniel Eddleman, Harvey McNeely, J. B. Todd, John Marlin, John B. Lord, H. C. Jones, J. Clarke, Abram Sechler, Thomas Barber, Jas. L. Cowan.

The committee having retired, Nathaniel Boyden, Esq., was called upon to address the meeting. Mr. Boyden briefly spoke of the present prosperous condition of the country, and traced it to the benign effects of the Whig Tariff—of the course of Mr. Polk's Administration as tending to disturb this prosperity—the War with Mexico—the Sub-Treasury—the threatened repeal of the Tariff. He also spoke of the Raleigh and Gaston Rail Road—the manner in which the interest of the State had been attended to in that connection, and the course pursued by the Democratic portion of the last Legislature, on the subject—of the public School Fund and Rowan county's interest in that—and concluded by expressing his sincere regret, that it was not possible for him to comply with the many and urgent solicitations which he had received from his friends again to be a candidate. He spoke with his accustomed force and ability on all these subjects.

The Committee appointed to report candidates having returned a few minutes before Mr. Boyden concluded his speech, now reported through Mr. H. C. Jones, the result of their deliberations, as follows: For the Commons, RICHARD LOCKE, CHARLES L. PARTEE.\*

This report was received with applause, and unanimously adopted. The committee also recommended the appointment of a committee to attend a public meeting of the Whigs of Davie, to confer with them on the subject of nominating a candidate to represent the two counties in the Senate. This report was also accepted, and the following gentlemen appointed in pursuance thereof, viz:—Thomas Barber, H. C. Jones, Thos. Craige, Samuel Marlin, A. W. Brandon, and Col. E. D. Austin.

Mr. H. C. Jones then favored the meeting with a few, but very interesting remarks, interspersed here and there with his peculiar spices. The meeting then adjourned in the greatest good humor. J. McCULLOCH, Ch'n. J. J. BRUNER, Sec.

\*Mr. P. being present, declined the acceptance of the honor conferred upon him; but the meeting refused to release him until he should have time for further reflection on the subject.

By his Excellency WILLIAM A. GRAHAM, Captain General, and Commander in Chief of the Militia of the State of North Carolina:

A PROCLAMATION.

WHEREAS, under the provisions of the Act of Congress, entitled an Act providing for the prosecution of the existing War between the United States and the Republic of Mexico, approved the 13th of May, instant, the President of the United States hath made a requisition on the State of North Carolina, for one Regiment of Infantry Volunteers, to be 'enrolled and held in readiness for muster into the service of the United States,' the said Regiment to comprise 10 companies, each consisting of 1 Captain, 1 first Lieutenant, 1 second Lieutenant, 4 Sergeants, 1 Corporal, 2 Musicians, and 61 Privates.

And being fully assured that the Citizen Soldiers of the State are ready to meet this call to patriotic duty with promptness and alacrity, I do hereby enjoin and solicit that 10 companies of Volunteers, each of the number and with the Officers aforesaid, be, as soon as practicable, formed and enrolled, to the end that they may be returned to the Secretary of War, as ready to be mustered into the service of the United States. No Private or non-Commissioned Officer can be received, 'who is apparently over 45 or under 18 years of age, and who is not in physical strength and vigor.' Every company, when the requisite number is enrolled, will be entitled to elect their company Officers—and field Officers will be appointed for the Regiment by the time of the completion of the enrollment.

As soon as any company may be completed as above set forth, the Captain thereof will make report to the Adjutant General. If a greater number of companies, or men shall be offered, than that required, a selection from those tendered will be made by lot. Early information is desired to be communicated to the Adjutant General of the progress of the enrollment: And all Military Officers in the State will cause this requisition to be made known generally, to those under their command, that all who desire to estimate the high honor of their country, and are inclined to rally under her banner in this crisis, may be afforded the opportunity to volunteer their services. Given under my hand, and attested with the Great Seal of the State of North Carolina, at the city of Raleigh, this 22d of May, A. D. 1846, and of our Independence the 70th.

WILL A. GRAHAM, By his Excellency's Command, Wm. Hill, Secretary of State.

Head Quarters, Salisbury, N. C., 7th Brigade, 4th Division N. C. Militia, May 27th, 1846.

By the Proclamation of his Excellency Wm. A. Graham, Governor of North Carolina, issued at the city of Raleigh, on the 22d day of May 1846, of our independence the 70th, to carry into effect a requisition made by the President of the United States, to raise a Regiment of Infantry Volunteers, to muster into the service of the United States.

Therefore, I, R. W. Long, Brigadier General of said Brigade, do command all Col. Commandants of Regiments composing said Brigade, to make the above requisition known to their inferior officers and soldiers subject to military duty, and to enroll from them as volunteers all such as are patriotically disposed to enter into the service of their country, that the requisite number may be selected therefrom, and organize so as to be held in readiness for command. By order of R. W. LONG, Brig. Gen. JAKES L. COWAN, Maj.

P. S. Officers of the Brigade should be prompt on receiving the requisite number on their list to forward the same to the Adjutant General of the State. R. W. LONG, Brig. Gen.

THE PEOPLE RESPONDING.

It will be seen by the proceedings of meetings in this paper, that whilst other portions of the country are promptly responding to the call of Government for Volunteers in defence of the nation, that Rowan is not slow to answer. At an early period of the present difficulties, it was discovered that the spirit was amongst us. The requisition made on His Ex. Wm. A. Graham, and his Proclamation to the State, are now being responded to in the most pleasing and satisfactory manner. We rejoice to see such promptness. The meetings held here on Wednesday and Thursday evenings were spirited in a high degree, and it is now certain that Rowan will, in a few days, report to the Governor, the formation of a company in compliance with his orders.

There is but one sentiment amongst us on the subject of the present juncture, and that is, let the honor and interest of the nation be defended. All feel the importance of it. Those who have volunteered in the cause have given the strongest proof of the fact; whilst they who have from various causes, withheld their names, show by their words and their acts, that they are right on the subject, and hold themselves ready as a reserve in case of need. This is a matter in which all parties blend, and in which Americans become brothers in heart and hand. We would then say to our gallant volunteers, take courage, and rest assured, that if you should be called into actual service, there are friends at home ready at a moment's notice, to join you when needed.

Pursuant to verbal notice, given on the streets of Salisbury, this day, a large number of persons assembled at Dr. Boyden's office, at the hour of 7 1/2 o'clock, P. M., for the purpose of taking preliminary steps towards the formation of a volunteer company of Infantry, for the service of the United States against Mexico, between whom there now exists a state of war.—The meeting was brought to order by calling Dr. S. B. Walls to the Chair, and the appointment of J. J. Bruner, Secretary.

The Chairman briefly explained the object of the meeting. When Gen. R. W. Long laid on the table a proposition for the formation of a company, which had, already subscribed to it, the names of a godly number of gallant gentlemen. An invitation was then given to all persons that wished, to come forward and enroll their names.

Gen. R. W. Long and others, addressed the meeting in a manner fitting the occasion.

On motion of Gen. R. W. Long, a Committee of Vigils was appointed, consisting of the following persons,—whose duty it is, to take especial interest in the object for which the meeting had assembled, on all occasions, until it is accomplished—to wit: J. L. Cowan, S. W. James, F. R. Rouché, Dr. P. Henderson, Dr. S. B. Walls, Col. J. M. Brown, Robert Long. On motion of F. R. Rouché, Gen. R. W. Long was added to the Committee.

Informal remarks by various gentlemen, now consumed an interval of time—when, On motion of Col. J. M. Brown, the meeting adjourned to meet again on to-morrow (Thursday) evening at the Court House, at the roll of the Drum. S. B. WALLS, Chairman. J. J. BRUNER, Sec. May 27th, 1846.

According to adjournment the gallant volunteers and a large number of citizens met at the Court-house, this evening, for the purpose of encouraging citizen soldiers promptly to meet the requisition of the government for volunteers.

On motion of J. L. Cowan, Esq., the meeting was organized by calling Doct. S. B. Walls to the chair, and the appointment of Robert W. Long, secretary. On taking the chair the Doct. addressed the numerous assemblage in a spirited and patriotic speech, and took his seat amidst the applause of the people.

On motion of F. R. Rouché, the Chair was requested to call on the Committee of Vigils to report—which, being done,

Gen. Rich. W. Long arose and reported the enrollment of five persons since the last meeting; and that the whole number listed is now thirty-five.

The enrollment was then spread upon the table to receive additional signatures. A call being made the meeting was addressed by Gen. R. W. Long in a most animated speech; which was followed by J. A. Bell, Robt. W. Long, Sam'l. W. James, Robert E. Love and John U. Vogler, all of whom were long and loudly applauded, and were succeeded by the band of music in the performance of appropriate airs. The greatest good will and enthusiasm prevailed throughout.

During this time a number of persons enrolled themselves, and a count being made, the list was found to have swelled to the number of forty-nine.

On motion of Gen. R. W. Long, Resolved, That the following gentlemen, viz: Col. J. M. Brown, J. L. Cowan, J. J. Bell, Robt. W. Long, F. R. Rouché, be appointed a Committee to wait on Robt. E. Love, Esq., and invite him to address the meeting on Monday evening.

Unanimously adopted. On motion of F. R. Rouché, Resolved, That the proceedings of this meeting be sent to the Carolina Watchman for publication.

On motion of Gen. R. W. Long, the meeting adjourned—to meet again at the Court-house on Monday evening next, at the roll of the drum. S. B. WALLS, Ch'n. ROBT. W. LONG, Sec.
