

**BRANDRETH'S PILLS CURE CHILLS AND FEVER.**

GATESVILLE, N. C. Sept. 23d, 1845.

DR. B. BRANDRETH—

Dear Sir:—I have been an Agent for the sale of your valuable Pills for the last five years. They did not seem to sell much at first, but after some experience I have found them to sell better than any other Pill. I am an Agent for the sale of some six or eight other kinds of Pills, and I can say with safety, that I have tried the Brandreth's Pills in my own family, and find them to cure in every case, and in twenty other cases in my own knowledge of chills and fever, and would recommend them to all persons with chills and fever, as a certain cure. You will please to send me one hundred boxes of your Pills, fresh and good, to sell on commission as I have sold before. I would have written to your traveling agent, John A. Lane, but did not know where he was. I have your certificate of Agency, signed by yourself, and am authorized to sell the genuine Pill, and will settle with your Agent for all sold, when he visits this place again.

Very respectfully,  
S. W. WORRELL.

These Pills are for sale at 25 cts. per box, by our agents in every town in the State, and by the following highly respectable gentlemen in this vicinity, viz: J. H. Ennis, Salisbury; David Fraley, Rockville; A. & D. V. Hunniut, Gold-Hill; T. C. Graham, Cowansville; Krider & Son, Mt. Vernon. [Aug. 21, 1846—4117
