

# CAROLINA WATCHMAN.

Salisbury, N. C.

THURSDAY EVENING, MARCH 1, 1849.

We are authorized and requested to announce Joseph P. Caldwell, Esq., of Iredell County, as a Candidate to represent the second District in the next Congress of the United States.

Next week we intend to commence the publication of the "Numbers of Carlton," on the practicability of a Central Rail Road, by the late President of the University, Dr. CARLTON, furnished us by a friend, and written in 1827. They are elegantly written, and afford a fund of interesting information.

This is the way to do it.—We have undoubtedly authority for saying that if under the charter of the North Carolina Rail Road an arrangement can be made by which subscribers for Stock will be able to work out their subscriptions in the manner suggested in the newspapers, the whole amount necessary to execute the work in Rowan (22 miles) will be taken by her citizens readily. We know of two gentlemen that have declared they will take nine miles of it, and two others and (have heard of) one lady who have determined on taking one or two miles each, and several who say they will go into the business to some extent. We will vouch for Rowan. Her capitalists, we admit appear to be timid; but her working men are spirited and bold.

South Carolina Rail Road.—The following facts in relation to this road, are gathered from the Report of a Committee appointed by the Stockholders, and to whom the Report was made. It appears that the business of this road has greatly increased.

The income to 31st December, 1848, on all accounts, is stated at \$840,688 60.—The charges during the same period, absorbed the whole of this amount, chiefly by the expenditure on the Camden branch, and rail iron for relaying a part of the road.

The income of the Road for five years preceding the last, increased at an average rate of 8 per cent. The increase of 1848 over 1847 was 22 per cent., which was in part effected by the new business on the Camden branch. Estimating the increase of the present year at 15 per cent., and the amount of income after meeting all liabilities is set down at \$100,000. \$148,589 00 of the liabilities consist of debt, which when paid will be a reduction of indebtedness, and \$62,500 will be for improvement of property.

Owing to the late extraordinary expenditures of the company on account of the Camden branch and the relaying a part of the track, the usual dividends for the present year, may not, it is thought, be realized.

The Central Rail Road.—The reader will find on our fourth page an able and comprehensive address on this subject, and if his mind is yet unsettled, either as to the ability of the people of North Carolina to accomplish this work, or as to its being profitable, when done, he must be benefited by the perusal of this address.

As a paper presenting all the material facts, and fairly considering the objections, obstacles, &c., in relation to this enterprise, it is superior to any thing yet given to the public; and we trust pains may be taken by the friends of the Road to give it wide circulation.

The Charlotte Jeffersonian of the 10th ult., says Gold Dollars will shortly be issued from the Mint. It is a good idea.

There is to be a great Rail Road meeting in Raleigh, on the 3d inst.

A California Stage Line is about to be established, to run between Vera Cruz and Mazatlan. Eight of the Stages are now being built in New York city.—Steamers on both oceans are to connect with the line, and it is calculated that passengers from New York, will reach San Francisco in 27 days.

The people of California are moving towards the establishment of a Provisional Government. If Mr. Preston's bill should pass the Congress of the United States, California will soon be admitted as a new member of our Confederacy.

A strange and fatal malady resembling the Cholera has made its appearance about Uniontown, Pa. Out of fifty cases, twenty proved fatal. The first indications of its approach are pains in the fingers and limbs, accompanied with violent fever and head ache, which are followed by vomiting and diarrhoea.

Wilmington and Manchester Rail Road.—The grading of this road has been commenced near Sumterville. The location of the route from Pee Dee to Linch's creek has been completed.

Hon. D. M. Barringer.  
From an editorial announcement in the last "Fayetteville Observer," we learn that this estimable gentleman is not a candidate for re-election to Congress, from the third District. This, we regret, as will all who know Mr. Barringer. His loss will be seriously felt in the House of Representatives, where his usefulness as a real working member has distinguished as a true patriot, with no fondness for idle display.

The Hon. Alfred Dockery, of Richmond County, has declared himself a candidate in the District.

## THE CHARLOTTE AND DANVILLE RAIL ROAD.

It gives us pleasure to observe with what cheerfulness the people interested in this project have abandoned it in favor of the Central Rail Road. We allude of course to the people of this State, say in the counties contiguous to Charlotte, Salisbury, and Greensborough, in which places the papers express themselves not only satisfied but gratified by the change. This is an evidence of good sense and patriotism which might have been hoped for rather than expected, when we consider the warm interest excited in favor of the Danville project by its almost unopposed possession of the public mind in that region for many months past, and by the absence of all hope of such liberal measures as our Legislature has adopted to give them an outlet in another direction—a more natural, feasible and desirable direction.

We cannot, as yet, form an opinion as to the success of the Central Rail Road. It will be seen that an enthusiastic meeting was held at Salisbury. Another is called at Greensborough; and we suppose Raleigh, Charlotte, &c. will very soon take up the matter in earnest. Whether they will succeed in raising so large an amount as a million of dollars, is doubted by some. But in the wish that it may be accomplished, we think every true friend of the State, of its character and its prosperity, will unite most heartily. It may not, and probably will not, benefit this part of the State, pecuniarily to the amount of a single dollar. But its accomplishment will enrich and ennoble the whole State, and in her general prosperity and elevation the various sections cannot but participate. With this belief, we should cast aside all mere local feeling, and unitedly labor for the success of any scheme which may promise benefit to any portion of the people of North Carolina.

The Charlotte Journal states that the distance from that place, by the Danville route, to Richmond, Va., is 320 miles. Then it is a longer route, by a few miles, than the same place by the proposed Central Road and the Raleigh and Gaston Road, &c. By the Danville route, the farmer could reach both our market, viz: Richmond, and that out of our own State. By the Central road, he will have the choice of Wilmington, Petersburg, Richmond, and Norfolk,—(and possibly at some future day of Fayetteville also.) Wilmington and Petersburg will be about equidistant from Charlotte, say about 300 miles.

With this great work accomplished, a Plank Road from this place to Salisbury, a Turnpike thence to the Georgia line, the Cape Fear and Deep Rivers opened, what bounds shall we put upon our hopes of prosperity for the middle and western parts of our State! The prospect is in the highest degree animating. It only requires that the people should be alive to their own interest, and fully determined to do their duty.—Fayetteville Observer.

**WANTED.**  
In this place, on Wednesday evening last, by the Rev. Archibald Baker, Col. JOHN F. MCCORKLE, to Miss ELIZABETH BROWN, daughter of the late Allen Brown, formerly of Cumberland County. In Iredell County, on the 20th ultimo, by the Rev. E. F. Rockwell, Mr. SANDFORD F. WAGGAMAN, of Mocksville, to Miss JANE E. EVERETT, of Iredell. In Iredell County, on the 14th ultimo, by A. P. Graham, Esq., Mr. WM. L. GOUGER, to Miss JULIA C. LIPE, all of Iredell.

**Died.**

In Nashville and Memphis papers will please copy. In this County, on the 20th ult., JACOB COUGHENOUR, aged about 50 years.  
In this County, JOSEPH IRVIN, aged about 38.

WE are authorized to announce OBADIAH WOODSON, as a candidate for the Office of Superior Court Clerk for Rowan County.

## CAPITAL WANTED,

AND IF NOT OBTAINED, THEN VALUABLE PROPERTY FOR SALE.

THE Subscriber, who owns one of the most valuable Water Powers in the Southern country, and having been struggling for several years to put it to work, and failing in success to the extent of his wishes, takes this method of soliciting aid. He wants CAPITAL, as this place is called, is situated on Hunting Creek, in Iredell County, 28 miles west of Salisbury. It is without doubt, one of the finest natural sites for Factories to be found. There is power sufficient to drive any number of mills, or any amount of machinery. All who have seen it have pronounced it one of the first class,—a never-failing stream, and remarkable for its purity, it is adapted to the manufacture of paper, to calico printing, bleaching, &c. Situated in the neighborhood of several operating Cotton Factories, in a healthy, productive, thriving region of country; within easy access to Salisbury, through which the great Central Rail Road is to pass, with much of the necessary labor towards the improvement of the place already done, it possesses advantages rarely to be met with.

The subscriber's efforts to improve this valuable site, have resulted in the completion of a never yielding dam, a SAW Mill, in active operation, a Grist Mill, soon to be put in operation, and a building of 28 by 75 feet, designed for a Factory, about half finished. He wishes to push forward his improvements. To do this a handsome capital will be required, to obtain which he offers permanent salaries. If he should not get it before the close of Spring, he will sell the property, with the improvements, will then be for sale. Persons wishing to supply him with capital, or to purchase, will address him at Eagle Mills, Iredell County, N. C.
