TO THE

MERCHANTS

OF THE

SOUTH AND SOUTHWEST.

We, the undersigned, Importers and Jobbers in the City of Charleston, in view of the present critical state of the country, deem it proper to bring to the notice of the interior Merchants the claims we have to their patronage and custom. The majority of us have been long established in business, and from our experience are well acquainted with the wishes of this section of country. All of us hold ourselves in readiness, on the agitating question of the day—slavery—and all of us desire, as far as practicable, to become commercially independent of the North. We have no desire to moderate the energy and enterprise of the Merchants of Northern cities, but we claim to be able to supply goods in our respective lines, on as favorable terms, both as to price and credit, as the Merchants of any city in the Union. We have facilities for obtaining goods from Europe not surpassed by any, and our importations from abroad are very large, notwithstanding the reports to the contrary, circulated by those who have no knowledge of what they are, or whose interest prompt them to misled.

American goods we obtain from the manufacturers on as favorable terms as any Jobbing Merchants of the Northern cities. Why then should we not be able to sell on as favorable terms as others?

We are able and determined to do so, all we ask of you is, to try this market, lay aside the prejudice—for it is only a prejudice—that your customers prefer goods from New York to those from Charleston, and build up and encourage your own Seaports and your own Merchants. If we cannot do what we profess, you will be subjected to very little inconvenience, for opportunities of leaving by railway or steamer are offered every twelve hours.

Our Stocks will be complete by 1st February next, and it remains to be seen how many of those who have heretofore purchased all their goods in northern cities will give Charleston a trial this Spring.

FELLOW CITIZENS:

I APPEAR before you to-day to declare myself a candidate for popular favor, and respectfully invite you to

and harken to the words a high concern for your welfare impels me to communicate. It affords me the most exquisite pleasure imaginable to address so large and respectable a number of you, and I sincerely hope that you will

information I design imparting to you, as it may prove more precious than silver and gold.

FELLOW CITIZENS! I feel utterly and wrongly incapable of doing justice to the important subject which claims our attention on this occasion; and if it were not an

Acknowledged Truth

that every horse must switch his own tail, or be flyblown, I would instantly bath down and employ some distinguished stump orator to visit you at the public mills and at the grog-rooms, and make known the fact

That

HOFFLIN'S carefully selected stock of Fall and Winter Ready-Made Clothing, comprising every shade and grade of every varied article of dress, has arrived; and that he,

MARCUS HOFFLIN,

can exhibit the sublimest spectacle of Fashionable adornments to be met with in the States—sack and pants!—enough to cover a thousand handsome forms in habiliments at once neat, tidy, strong, beautiful and cheap. He should also make known that HOFFLIN'S Store is on the corner,

at the Mansion Hotel,

abundantly convenient to every visitor of Salisbury who designs visiting the most popular parts of town—well supplied with *light* and comfort, where he

than any other Dealer in North Carolina.

Curiosity quickens the powers of human nature, and leads judicious people to the discovery of many profitable facts that might otherwise remain sealed forever. Now just let it work you up to Hoffman's Store to see his new Stock, and to hear his prices. You are obliged to have Clothing—the law compels—but not obliged to buy from Hoffin. ☞ But suppose he should offer you the *best bargains*, then what becomes the question. He knows what he can do, and intends to do what he can to accommodate every one, high and low, rich and poor, who may favor him with a call. ☞ Call and try me.

REAL ESTATE.

WISHING to concentrate my funds on one place, I propose to sell the plantation on which I now reside, containing 207½ ACRES. More of the soil is grey or sand, the remainder a dark loam, equal in fertility to any in Rowan. Nearly one half of the tract is said to woods, containing a great deal of fine timber, right about side the N. C. R. R. There is about 40 Acres of *BOTTOM LAND and MEADOW*, of first-rate quality. The DWELLING is well arranged, containing nine rooms, garret and cellar, and also 8 fire-places, and is in view of the Yadkin River and N. C. Rail Road. The garden and spring are excellent, and the out-buildings, some of which are new, are well arranged and comfortable.

The location is quite convenient, being within five miles of Salisbury and very healthy. The soil is highly adapted to fine Tobacco, Cotton, Grain, Fruits, and garden vegetables.

CONSUMPTION AND ASTHMA CURED.

DR. H. JAMES, discovered, while in the East Indies, a certain cure for Consumption, Asthma, Bronchitis, Coughs, Colds, and General Debility. The remedy was discovered by him when his only child, a daughter was given up to die. His child was cured, and is alive and well. Desirous of benefitting his fellow mortals, he will send to those who wish it, the receipt containing full directions for making and successfully using this remedy, free, on receipt of their names with stamp for return postage. There is not a single symptom of consumption that it does not at once take hold of and dissipate. Night sweats, pain in the side, irritation of the nerves, failure of memory, difficult expectoration, sharp pains in the lungs, sore throat, chilly sensations, nausea at the stomach, irritation of the bronchi, wasting away of the muscles. The experience of the past fourteen years has guided me in this Belting the manufacturers of manufactures and consumers. The great improvements recently made in its quality warrant me in asserting it to superior to leather for all open Belts,—especially for heavy or main Belts.

Its first cost is much less than leather, it is stronger and more durable, and gives a gain in power on the pulley. It will stand a heat of 300 degrees unaffected,—no degree of cold or wet can injure its working. In all respects it is recommended by Cotton Gins, Saw Mills, Mines, Grain Elevators, Machine Shops and Woodworkers.

THE ONLY ARTICLE

Unrivaled in Market,

WITH IMMENSE

HOME AND EUROPEAN DEMAND.

The reason why, is that by Nature's own process it restores the natural color permanently after the hair becomes grey; supplies the natural fluids, and thus makes it grow on bald heads, removes all dandruff, itching, and thus cures all nervous headaches, and may be relied upon to cure all diseases of the scalp and hair; it will stop and keep it from falling off, makes it *soft, glossy, healthy and beautiful*, and if used by the young two or three times a week, it will never fall or become grey; then reader, read the following and judge for yourselves:

New York, Jan 8, 1859.

Messrs. O. J. Wood & Co.,

Gentlemen: Having heard a good deal about Professor Wood's Hair Restorative, and my hair being quite grey, I made up my mind to lay aside the prejudices which I, in common with a great many persons, had against all manner of patent medicines, and a short time ago I was induced using your article, to test it for myself.

The result has been so very satisfactory that I am very glad I did so, and it justice to you, as well as to the encouragement of others who may be as grey or I was but who having my prejudice without my usual cause for setting it aside, are unwilling to give your Restorative a trial till they have further proof, and the best proof being ocular demonstration, I write you this letter, which you may show to any such, and also direct them to me for further proof, who am in and out of N. Y. Wire Railing Establishment every day.

My hair is now its natural color and much improved in appearance every way, being glossier and smoother and much more healthy looking.

I am, Yours Respectfully,

HENRY JENKINS.

Cor. Columbia and Carroll Sts., Brooklyn.

Livingston, Ala., Feb. 14, 1859

Prof. Wood—Dear Sir: Your Hair Restorative has done much good in this part of the country. My hair has been slightly diminishing for several years, caused, I suppose, from a slight burn when I was quite an infant. I have been using your Hair Restorative for six weeks and I find that I have a fine head of hair now growing, after having used all other remedies known to no effect. I think it the most valuable remedy now extant, and advise all who are afflicted that way to use your remedy.

You can publish this if you think proper.

Yours, &c., S. W. MIDDLETON.

Philadelphia, Sept. 9, 1857.

Prof. Wood—Dear Sir: Your Hair Restorative is proving itself beneficial to me. The front, and also the back part of my head almost lost its covering—was in fact BALD. I have used but 2 half pint bottles of your Restorative, and now the top of my head is well studded with a promising crop of young hair, and the front is also receiving its benefit. I have tried other preparations without any benefit whatever. I think from my own personal recommendation, I can induce many others to try it. Yours, respectfully

D. E. THOMAS, M. D.,
No. 464 Vine Street.

The Restorative is put up in bottles of 3 sizes, viz: large, medium, and small; the small holds ½ a pint, and retails for one dollar per bottle; the medium holds at least twenty per cent more in proportion than the small, retails for two dollars per bottle; the large holds a quart, 40 per cent. more in proportion and retails for $3.
