## White Sulphur Springs,

WILL be opened for visitors by the 1st of June next: they are situated in a most healthy mountainous country, near the beautiful Catawba River, within less than an hour's ride of the present terminus of the Western N. C. Rail Road, with which daily lines of Omnibuses and Stage Coaches connect the Springs. Pleasure Vehicles and superior Saddle Horses will be at the call of guests. Bathing Alleys and a Billiard Saloon will be neatly fitted up. A fine Band of Musicians engaged for the season—Quadrille and Cotillion Parties each evening free of extra charge.

The Buildings are new and spacious, the pleasure grounds extensive, and in fine every thing wished for, as at the best watering places, will be found here to refresh the inner man and cheer the spirit. The extended reputation and the medical properties of the Waters (almost inexhaustible) before the completion of the Western N. C. Rail Road, now built the sick and afflicted with a cordial welcome.

The experience of the Proprietor justifies the seeking of health or pleasure in anticipating a good time coming. The Proprietor has been at great expense in fitting up a watering place commensurate with the wants of the Carolinians and confidently rely on their generosity for encouragement.

## HOSTETTER'S STOMACH BITTERS.

The proprietors and manufacturers of HOSTETTER'S CELEBRATED STOMACH BITTERS can appeal with perfect confidence to physicians and citizens generally of the United States, because the article has attained a reputation heretofore unknown. A few facts upon this point will speak more powerfully than volumes of bare assertion or blooming puffery. The consumption of Hostetter's Stomach Bitters for the last year amounted to over a half-million bottles, and from its manifest steady increase in these past, it is evident that during the coming year the consumption will reach near one million bottles. This immense amount could never have been sold but for the rare medicinal properties contained in the preparation, and the assertion of the most prominent physicians in those sections of the country where the article is best known, who not only recommend the Bitters to their patients, but are ready at all times to give testimonials to its efficacy in all cases of stomachic derangements and the diseases resulting therefrom.

This is not a temporary popularity, obtained by extraordinary efforts in the way of trumpeting the qualities of the Bitters, but a solid estimation of an invaluable medicine, which is destined to be as enduring as time itself.

Hostetter's Stomach Bitters have proved a Godsend to regions where fever and ague and various other bilious complaints have counted their victims by hundreds. To be able to state confidently that the "Bitters" are a certain cure for the Dyspepsia and like diseases, is to the proprietors a source of unalloyed pleasure. It removes all morbid matter from the stomach, purifies the blood, and imparts renewed vitality to the nervous system, giving it that tone and energy indispensable for the restoration of health. It operates upon the stomach, liver, and other digestive organs, mildly but powerfully, and soon restores them to a condition essential to the healthy discharge of the functions of nature.

Elderly persons may use the Bitters daily as per directions on the bottle, and they will find in it a stimulant peculiarly adapted to comfort declining years, as it is pleasant to the palate, invigorating to the bowels, excellent as a tonic, and rejuvenating generally. We have the evidence of thousands of aged men and women who have experienced the benefit of using this preparation while suffering from stomach derangements and general debility; acting under the advice of physicians, they have abandoned all deleterious drugs and fairly tested the merits of this article. A few words to the gentler sex. There are certain periods when their nerves are so harassing that many of them sink under the trial. The relation of mother and child is so shockingly tender, that the mother, especially if she be young, is apt to forget her own health in her extreme anxiety for her infant. Should the period of maternity arrive during the summer season, the wear of body and mind is generally aggravated. Here, then, is a necessity for a stimulant to recuperate the energies of the system, and enable the mother to bear up under her exhausting trials and responsibilities. Nursing mothers generally prefer the Bitters to all other invigorators that receive the endorsement of physicians, because it is agreeable to the taste as well as certain to give a permanent increase of bodily strength.

All those persons, to whom we have particularly referred above, to wit: sufferers from fever and ague, caused by malaria, diarrhœa, dysentery, indigestion, loss of appetite, and all diseases or derangements of the stomach, supernannuated invalids, persons of sedentary occupation, and nursing mothers, will consult their own physical welfare by giving to Hostetter's Celebrated Stomach Bitters a trial.

CAUTION.—We caution the public against using any of the many imitations or counterfeits, but ask for HOSTETTER'S CELEBRATED Stomach Bitters, and see that each bottle has the words "Dr. J. Hostetter's Stomach Bitters" blown on the side of the bottle, and stamped on the metallic cap covering the cork, and observe that our autograph signature is on the label.

☞ Prepared and sold by HOSTETTER & SMITH, Pittsburgh, Pa., and sold by all druggists, grocers, and dealers generally throughout the United States, South America, and Germany.

## Ayer's Sarsaparilla

"A compound remedy, to which we have labored to produce the most effectual alterative that can be made. It is a concentrated extract of Yucca Sarsaparilla, so combined with other substances of still greater alterative power as to afford an effective antidote for the disease for Sarsaparilla is reputed to cure. It is believed that such a remedy is wanted by those who suffer from Scrofulous complaints, and that one which will accomplish their cure must possess of necessity great alterative power in the highest degree. How completely this compound will do it has been proven by experiment on many of the worst cases to be found in the following complaints:

SCROFULA AND SCROFULOUS CACHEXIES, ERYSIPELAS AND ERYSIPELATOUS INFLAMMATION, ULCERS, PIMPLES, BLOTCHES, TUMORS, SALT RHEUM, BOILS, BURNS AND SCALDS, SYPHILITIC AFFECTIONS, MERCURIAL DISEASE, DROPSY, NEURALGIA OR TIC DOULOUREUX, DISEASES OF THE BONES AND INTERIOR, ULCERATIONS, WORM OF ST. ANTHONY'S FIRE, and indeed the whole train of complaints arising from IMPURITY OF THE BLOOD.

This compound will be found a great promoter of health, when taken in the spring, to expel the foul humors which fester in the blood at that season of the year. By the timely expulsion of them many rankling disorders are nipped in the bud. Multitudes can, by the aid of this remedy, spare themselves from the endurance of foul eruptions and ulcerous sores, through which the system will strive to rid itself of corruptions, if not assisted to do this through the natural channels of the body by an alterative medicine. Cleanse out the vitiated blood whenever you find it impurities burning through the skin in pimples, eruptions, or sores; cleanse it when you find it obstructed and sluggish in the veins; cleanse it whenever it is foul, and your feelings will tell you when. Even where no particular disorder is felt, people enjoy better health, and live longer, for cleansing the blood. Keep the blood healthy, and all is well; but with the poisons of life disordered, there can be no lasting health. Sooner or later something must go wrong, and the great machinery of life is disordered or overthrown.

Sarsaparilla has, and deserves much, the reputation of overcoming these evils. But the world has been egregiously deceived by preparations of it, partly because the drug alone has not all the virtues that is claimed for it, but more because many preparations, pretending to be concentrated extracts of it, contain but little of the virtues of Sarsaparilla, or any thing else.

During late years the public have been misled by large bott
