DOMESTIC. Convention Acts.

An Act concerning a Convention to amend the Constitution of the State.

WHEREAS, the General Assembly of North Carolina, have reason to believe, that a large portion, if not a majority, of the freemen of the State, are anxious to amend the Constitution thereof, in certain particulars, hereinafter specified; and whereas, while the General Assembly disclaim all right and power in themselves to alter the fundamental law, they consider it their duty to adopt measures for ascertaining the will of their constituents, and to provide the means for carrying that will into effect, when ascertained; therefore,

Be it enacted by the General Assembly of the State of North Carolina, and it is hereby enacted by the authority of the same, That the Court of Pleas and Quarter Sessions, of each and every county in the State, at the first term that shall be held after the first day of January, 1835, shall appoint two inspectors to superintend the polls to be opened at each and every election precinct in said counties, for ascertaining by ballot, the will of the freemen of North Carolina, relative to the meeting of a State Convention. And if any Court or Courts should fail to make such appointments, or if any inspector so appointed shall fail to act, it shall be the duty of the Sheriff, or the person acting as his deputy on such occasion, with the advice of one Justice of the Peace, or, if none be present, with the advice of three freeholders, to appoint an inspector or inspectors in the place of him or them who failed to act, which inspectors, when duly sworn by some Justice of the Peace, or freeholder, to perform the duties of the place with fidelity, shall have the same authority as if appointed by the Court.

II. Be it further enacted, That it shall be the duty of the Sheriffs of the respective counties in this State, to open polls at the several election precincts in said counties, on Wednesday and Thursday, the first and second of April next, when and where all persons qualified by the Constitution to vote for members of the House of Commons, may vote for or against a State Convention; those who wish a Convention, voting with a printed or written ticket, "Convention," and those who do not want a Convention, voting in the same way, "No Convention," or, "Against Convention."

III. Be it further enacted, That it shall be the duty of the Sheriffs to make duplicate statements of their polls in their respective counties, sworn to before the Clerk of the County Court, one copy of which shall be deposited in said Clerk's office, and the other copy transmitted to the Governor of the State, at Raleigh, immediately after the election.

IV. Be it further enacted, That it shall be the duty of the Governor, as soon as he shall have received the returns of the Sheriffs, in the presence of the Secretary of State, Public Treasurer and Comptroller, to compare the number of votes for & against a Convention; and if it shall appear, that a majority of the votes polled are in favor of it, he shall forthwith publish a proclamation of the fact in such of the newspapers as he may think proper; and shall issue a writ of election to every Sheriff of the State, requiring him to open polls for the election of delegates to the Convention, at the same places, and under the same rules, as prescribed for holding other State elections, and at such time as the Governor may designate.

V. Be it further enacted, That the same persons who were appointed to hold the polls in taking the vote on Convention, shall hold them for the election of delegates; provided, that if any of such inspectors shall fail to attend or act, the Sheriffs and their deputies shall supply their places in the manner hereinafter pointed out.

VI. Be it further enacted, That the several County Courts shall allow the Sheriffs the same compensation for holding said elections, that they usually allow for holding other State elections. And if any Sheriff or other officer appointed to hold said elections, shall fail to comply with the requisitions of this act, he shall be liable to a fine of one thousand dollars, recoverable before any competent jurisdiction, to the use of the county whose officer he is; and it shall be the duty of the county solicitors to prosecute such suits.

VII. Be it further enacted, That all persons qualified to vote for members of the House of Commons, under the present Constitution, shall be entitled to vote for members to said Convention; and all free white men, of the age of twenty-one years, who shall have been resident in the State one year previous to, and shall continue to be so resident at the time of the election, shall be eligible to a seat in said Convention; provided, he possess the freehold required of a member of the House of Commons under the present Constitution.

VIII. Be it further enacted, That each county in this State shall be entitled to elect two delegates to said Convention, and no more.

IX. Be it further enacted, That if any vacancy shall occur in any county delegation, by death or otherwise, the Governor shall forthwith issue a writ to supply the

vacancy. And the delegates shall convene in or near the city of Raleigh, on the first Thursday in June next; and provided that a quorum does not attend on that day, the delegates may adjourn from day to day until a quorum is present; and a majority of delegates elected shall constitute a quorum to do business.

X. Be it further enacted, That no delegate elect shall be permitted to take his seat in convention, until he shall have taken and subscribed the following oath or affirmation: "I, A. B. do solemnly swear (or affirm, as the case may be) that I will not, either directly or indirectly, evade or disregard the duties enjoined, or the limits fixed to this convention by the people of North Carolina, as set forth in the Act of the General Assembly, passed in 1834, entitled 'An Act concerning a convention to amend the Constitution of the State of North Carolina,' which act was ratified by the people. So help me God!"

XI. Be it further enacted, That the Public Treasurer be, and he is hereby authorized to pay, upon the warrant of the Governor, such sums of money as may be necessary for the contingent charges of the convention; and also to pay each member of the convention, one dollar and fifty cents per day, during his attendance thereon, and five cents for every mile he may travel to and from the convention.

XII. Be it further enacted, That it shall be the duty of the Governor, immediately after the ratification of this act, to transmit a copy to each County Court Clerk in the State, and cause it to be published until the meeting of the Convention, in the newspapers of the State.

XIII. Be it further enacted, That the following propositions shall be submitted to the people for their assent or dissent to the same; the former of which shall be understood as expressed by the votes for "Convention," and the latter by the votes "No Convention" or "Against Convention," at the time and in the mode herein before provided, to wit: That the said convention, when a quorum of the delegates who shall be elected and assembled, shall frame and devise amendments to the Constitution of this State, so as to reduce the number of members in the Senate to not less than thirty-four, nor more than fifty, to be elected by districts which shall be laid off at convenient and prescribed periods by counties, in proportion to the public taxes paid into the Treasury of the State, by the citizens thereof; provided, that no county shall be divided in the formation of a Senatorial district. And when there are one or more counties having an excess of taxation above the ratio required to form a Senatorial district, adjoining a county or counties deficient in such ratio, the excess or excesses aforesaid shall be added to the taxation of the county or counties deficient; and if with such addition, the county or counties receiving it shall have the requisite ratio, such county and counties each shall constitute a Senatorial district. 2. That the said Convention shall frame and devise a further amendment to the said Constitution, whereby to reduce the number of members in the House of Commons to not less than ninety, nor more than one hundred and twenty, exclusive of borough members which the convention shall have the discretion to exclude in whole or in part, and the residue to be elected by counties or districts, or both, according to their federal population; i. e. according to their respective numbers; which shall be determined by adding to the whole number of free persons, including those bound to service for a term of years, and excluding Indians not taxed, three-fifths of all other persons, and the enumeration to be made at convenient and prescribed periods; but each county shall have at least one member in the House of Commons, although it may not contain the requisite ratio of population. 3.
