

Miscellaneous.

"IS IT SUNDAY."

"What is that Lady doing there, in such a posture?" Anna cried: "The lady kneels in humble prayer," Her sister Bell replied.

Young Anna's silken lashes fell, "You say the lady kneels in prayer, To-day you know is Friday, Bell, And is it Sunday there?"

"Oh, sister dear, can no one pray At any other time as well? Must Sunday be the only day?" Said thoughtful Isabel.

"I should be very sad, if I, Who sorrow almost every day For something wrong, must wait and sigh, Till Sunday comes, to pray.

"When I have erred in deed or word, And tears arise and blind my eye, My heart and lips with prayer are stirred, Till I forget to sigh.

"When softly on my downy bed I wake and find the morning there, I think whose smile that morning made; And speak to God in prayer.

"When day's bright door is shut, I know Whose viewless hand forbids her beam, And dare not to my slumber go, Till I have prayed to Him.

"Oh, sister dear, no matter where, No matter what the hour of day, The solemn eve, the morning fair— 'Tis always good to pray."

It is worth in any market half a cent in the pound more than any other cotton heretofore grown in this State. PROSPECTUS OF The Extra Globe.

THE undersigned propose to issue the first number of a new series of the Extra Globe, on Monday, the 25th of May next, and to publish it weekly for six months, making twenty-six numbers; the last to contain an index to the whole. It will be printed on fine double-royal paper, made up in quarto form, like the Extra and Congressional Globes published by us last year. The 26 numbers will make 416 royal quarto pages.

It will contain the principal original articles of the Daily and Semi-Weekly Globes—foreign and domestic News—notice of the public meetings—the elections, and public proceedings in every State in the Union, in relation to the canvass for the next Presidency—a contest which the indications of the present year will go far to decide.

The first number will contain the Proceedings of the Democratic National Convention, to be held at Baltimore on the 20th of next month. An excellent Reporter has already been engaged to report the Proceedings of the Convention, and the Speeches which may be made on the occasion.

We request the favor of those friends to whom this Prospectus may be sent, to circulate it, for the purpose of obtaining subscribers. A copy of the work will be sent to the newspapers that copy this Prospectus.

Subscribers should forward their names in time to reach us before the 25th May. If they do not, we may not be able to furnish them with all the numbers; because the work is put at so low a price, that we cannot afford to reprint any numbers that may be exhausted.

TERMS.

One Dollar per copy, in advance. Eleven copies will be furnished for ten dollars; twenty-two copies for twenty dollars, and so on in proportion.

The price of this paper is so low, that we cannot afford to open accounts with those who subscribe for it. Therefore no attention will be paid to any order unless the money accompanies it.

BLAIR & RIVES. Washington, April 10th, 1835.

Notice.

THE Subscribers are now removing from their old stand to the Store formerly occupied by Messrs. Hyman & Lawrence, and directly opposite to John W. Cotten's. They will in a few days offer for sale, a quantity of Salt, Molasses, Sugar and Coffee—Bagging, Rope, and all the heavy articles which are important to farmers at this season of the year.

CASH, and the highest price, will be paid for baled Cotton. D. RICHARDS & CO. Tarborough, Nov. 27th, 1834.

School.

A SCHOOL will be commenced by the Subscriber, on Tuesday, the 14th of April, at the school house near the road from Tarboro' to Fayetteville, in the neighborhood of Col. Sharpe, Jesse Knight, Esq. and Mr. John Garrett. Reading, writing, arithmetic, grammar and geography will be taught. Special pains will be taken to give the scholars moral instruction and improve them in their education. Board can be had at the houses of the above named gentlemen for three dollars per month. Tuition will be one dollar a month. As this is a respectable and healthy neighborhood, and it is quite certain that the subscriber will continue the school at least one year, he cannot but think that the present is a favorable opportunity for those who wish to educate their children, or for young gentlemen and ladies who wish to procure an education for themselves. For his skill and competency in teaching he would refer enquirers to the people of the neighborhood, as he has already kept their school one quarter.
