NEW

Coach & Gig Manufactory.

THE Subscriber respectfully informs his friends and the public in general, that he has commenced business for himself on his lot in Tarborough, near the Bridge, where he will be prepared to carry on the above business in all its various branches. He served a regular apprenticeship under Mr. Thos. Cobbs, of Raleigh, who carried on the business very extensively, and kept in his employ regular northern workmen. If several years acquaintance with the business in one of the most extensive establishments in the State could ensure his success, he feels confident he should meet it; but he is perfectly aware that attention is equally necessary, and this attention he is determined to render. He hopes, therefore, that all persons who may favor him with their patronage, will never become dissatisfied or disappointed. His work shall be faithfully executed and of the best materials. He expects to have in a short time a general assortment of materials from New York, which will enable him to do his work not inferior to any done in this section of country. Repairing done with neatness and dispatch.
