

PROSPECTUS OF THE Congressional Globe.

THE success of the experiment we have made to furnish a succinct history of the proceedings of Congress, from day to day, with sketches of the Debates, induces the undersigned to persevere in their plan to extend and perfect it.

The Congressional Globe, with an Index, will be published weekly, upon double royal paper, in octavo form, as heretofore, at one dollar for the session.

It is probable that the next session of Congress will continue nearly seven months; if so, the work will contain between four and five hundred pages, and will be the cheapest publication perhaps in the world.

The next session of Congress will probably be the most eventful one which has occurred for many years, and will certainly be replete with interest, as its course will have great influence in fixing the destiny of the Republic for years to come.

We have already provided for our reporting corps, eminent skill and ability in one branch of Congress, and we expect to obtain an adequate reinforcement of capable persons in the other, by the time it meets, to fulfil our own wishes and the expectations of the Members.

TERMS. Congressional Globe—1 copy during the session, \$1 00 60. do. 11 copies during the session, \$10 00

Appendix.—Same price. The Congressional Globe will be sent to those papers that copy this Prospectus, if our attention shall be directed to it by a mark with a pen.

Payment may be made by mail, postage paid, at our risk. The notes of any specie-paying Bank will be received.
