FRESH
FALL AND WINTER
DRY GOODS.
 —S—
S. Pender & Son,
 HAVING just returned from the North, respectfully inform their friends and the public generally, that they are now receiving and opening at the Storehouse one door below S. Pender's Hotel in Tarborough, their
Fall Goods,
 Direct from New York.
 The pressure of business at this moment will not allow us to say more, therefore we leave it to the inspection of those who will favor us with a call, as we do not charge for looking, and as we feel no hesitation in pronouncing that we will give satisfaction if selling goods low will do it—which we are determined to sell as low as the lowest, if not a little lower, being anxious to sell out our present stock to make room for a Spring supply. We assure the public that we consider ourselves permanently located in Tarborough.
 We will give the highest market prices in Cash or Barter, for all kinds of produce that a farmer has to dispose of, poultry not excepted.

 The constant increase of patronage, for four years past, the health enjoyed by my pupils, and the impossibility for them to contract habits of dissipation and extravagance, has induced me to enlarge my building so that I am enabled to remove the limits to which I have formerly confined myself, yet I pledge myself that not more will be received than can properly be accommodated and well attended to by myself and a very competent assistant.
 I cannot feel a willingness to make many promises lest I fall short of a fulfillment, but I promise myself a conscientious discharge of my duty, and from an experience of ten years I can venture to promise to Parents for their comfort and to Pupils for their benefit, a mild and parental, but a prompt and strictly, very strictly enforced discipline.
