Silk Culturist.

THE Executive Comtee of the Hartford County Silk Society, have commenced a monthly publication, called the Silk Culturist and Farmer's Manual. The object of the publication is to disseminate a thorough knowledge of the cultivation of the Mulberry Tree, in all its varieties—The rearing of Silk Worms—the production of Coccons and the Reeling of Silk, in the most approved manner. The importance of this knowledge will appear from the fact that the net profit of land devoted to the culture of Silk, is double, if not triple, to that derived from any other crop which can be put upon it. It is also a fact, that every moderate farmer can raise several hundred dollars worth of Silk without interfering with his ordinary agricultural operations. In order to avail himself of this facility to obtain competency and wealth, which may possess himself of information on the subject—for without it his attempts will be fruitless. It is, therefore, the object of the Committee to diffuse this information as extensively as possible, and at the cheapest rate. The publication will contain a complete manual or directory from sowing the seed to reeling the Silk, together with such facts and experiments, as will enable farmers to raise Silk and prepare it for market, without further knowledge or assistance. It will also contain interesting matter on agricultural subjects in general.

TERMS—The Culturist will be published in monthly numbers of Eight Quarta Pages, at Fifty Cents a Year. No subscription will be received unless paid in Advance, and for not less than a year. Subscribers received by F. G. Condit, Secretary, Hartford, Conn., to whom all Communications may be addressed, which, if post paid, will be attended to. Hartford, April, 1835.

Montague's Balm, An Indian remedy for toothach, WHICH has applied according to directions, has never failed to afford immediate and permanent relief, just received and for sale by J. W. COTTEN, 11th Nov. 1835.

PROPOSALS, For publishing in the town of Tarborough, N. C. a semi-monthly paper, entitled, The Primitive Baptist, Edited by MARK BENNETT, Printed and Published by Geo. Howard.

THIS publication is principally intended to defend the old school United Baptists from the many aspersions cast upon them by deluded persons professing their own faith, because they cannot conscientiously engage in the various money-making schemes of the day, ostensibly intended to promote Christianity, but evidently tending to destroy the great and fundamental principles upon which it is based, by making a gain of godliness. We wish to lay it distinctly understood, that we are not inimical to Missouri, Temperance, the distribution of the Bible, or the spread of the Gospel—but we do condemn the mingling of professors and non-professors of religion in societies, and the making a "craft" of religious matters, in every shape and form whatsoever.

Believing that Theological Schools, Bible, Missionary, Tract, and Sunday School Union Societies, are the same in principle—unsuspicious—savor more of "mere" than of "good will towards men," we are opposed to them.

Some of the children of God, surrounded with, and interspersed amongst, the advocates of Missionary and other societies, are denied the happiness of conversing with those of the same judgment. Others, while grieved with beholding corruptions of the Gospel, are not able to speak for themselves. This is designed, under God, for their relief. We shall aim not so much to please the fancy, as to inform the judgment—more to afford matter for solid and lasting comfort, than to give a momentary glow to the feelings. We consider that the cause of truth and of Christian souls, is our cause. Deeply impressed with the belief that the blessing even of truth itself is of the Head of the Church, we cast ourselves upon Him, and send our little paper abroad, praying the Lord to carry with it some joy to those who are in tribulation, and a little rest to those who are troubled.

TERMS. The Primitive Baptist is published in super-royal octavo form of 16 pages, 4 the second and fourth Saturdays in each month—at One Dollar per year, payable on receipt of the first number. Six copies will be sent to one Post-Office or neighborhood for Five Dollars.

Communications must be post paid and directed to the Publisher. Persons holding Subscription papers will please send them or the names on them, to Geo. Howard, Tarborough, N. C.
