

**Martin Van Buren,**  
OF NEW YORK,  
**Richard M. Johnson,**  
OF KENTUCKY.

It has fallen to the humble lot of the undersigned to have presented to the American People, a third edition of the Biographies of the two above named highly distinguished patriotic citizens, whose constant devotion to the best interests of our Government has led to their designation, as a testimony of the estimation in which their services are regarded by the People whom they have served, as candidates for the two first offices within the gift of a FREE, HAPPY and FLOURISHING NATION. This token of respect gives to the world additional proof that faithful service shall not go unrewarded.

The object of this appeal to the republican portion of our fellow citizens, is to obtain their co-operation in the circulation of an edition of 100,000 copies of the joint Biography of MARTIN VAN BUREN & RICHARD M. JOHNSON, enlarged, revised and corrected, so as to be valuable to every lover of his country, and alike honorable to the distinguished citizens whom we THE PEOPLE, intend still further to honor, by their elevation to the offices of President and Vice President of the United States, in the election of 1836. Thus we shall perpetuate the principles of Jefferson, which have been so signally revived, no less acted upon, and triumphantly carried out, by ANDREW JACKSON, who, spurning all flattery, knew nothing but the PEOPLE, the WHOLE PEOPLE, and their respective rights, regardless of their fortunes, whether rich or poor; thus rendering his NAME and REPUTATION as durable as the EVER-LASTING HILLS.

The arrangement of the volume will be as follows:  
1st. Portrait of Andrew Jackson.  
To whom the volume will be inscribed, with an address by the Publisher.  
2d. Portrait of M. Van Buren.  
To be followed by his Biography, enlarged, including several valuable documents, illustrative of his public character, and exhibiting the magical powers of his gigantic mind, which has ever been devoted to sustain the rights of his country, and the glory and prosperity of his fellow citizens.  
3d. Portrait of R. M. Johnson.  
To be followed by his Biography, enlarged, including various Speeches, SUNDAY SCHOOL REPORTS, and other documents; illustrative of his long continued public life, which has ever been devoted to the good of his country; including an authentic account of the fall of the Republic of Texas, the 5th of October, 1835, and the view of the Republic from the North.  
The work will thereby learn, not only of about 100,000 copies of our best fixed at the moderate price of One Dollar, neatly bound with cloth backs, or calf and gilt, with the additional expense of binding. The work, which is now in a state of preparation, shall be such as to give entire satisfaction; as it is in the hands of gentlemen who have for nearly forty years, been personally and intimately acquainted with the private and public life of the above named distinguished citizens.

The celebrated address of the Hon. Thomas H. Benton, of Missouri, bearing testimony to the high character of Martin Van Buren, and the eloquent speech of the Hon. James Barbour, of Virginia, in the U. S. Senate, portraying the character of Col. Johnson on the field, and in the councils of the nation, will be appended to the work.  
As there is among our republican citizens, an excessive population of German origin, the work will appear simultaneously in both the English and the German languages. It will, therefore, be necessary for subscribers who wish to have the work in the German, to signify the same on the subscription book.  
It will, in order to give prompt and extensive circulation to the work, be indispensable for all subscribers to pay at the time of subscribing—all money to be at a proper time forwarded with the lists of signatures to the publishing committee, which will be duly made known by a notice in the Washington Globe.

Democratic editors disposed to encourage the work, will confer a favor, which will be gratefully acknowledged by the Subscriber, in giving publicity to the above and receiving subscriptions at their respective offices, to whom a reasonable per centage will be allowed.  
The People's obedient servant,  
WM. EMMONS.

**COMPREHENSIVE**  
**Commentary on the Bible.**  
THE Subscriber having been requested to act as Agent for this highly interesting work, informs the public that the first volume can be seen at his office, where subscriptions will be received. The first volume is a specimen of the execution of the work, editorial and mechanical. It is to contain all that is valuable in the writings of those great lights in the Christian Church, Henry, Scott, Doddridge, Gill, Adam Clark, Patrick, Pool, Lenth, Burder, and others; the whole designed to a digest and combination of the advantages of the best Bible commentaries. On the whole, it is believed all will admit that the work is what it has been pronounced to be—a credit to the country; and the publishers and editors pledge themselves and their characters (and they can do no more) that every effort shall be put forth to make it, both in the literary and mechanical parts, lastingly useful, and worthy a liberal support. But to sustain them in so expensive an enterprise, the low price fixed for the work requires that it should have an extensive sale, and no publisher would feel warranted in presenting the work without a large subscription list, and however unpopular such a course may be in regard to ordinary works, no hesitation is felt in reporting to it in this case, so manifestly necessary and proper. They appeal in confidence to the religious public, and to all, who wish to see it circulate, for their names and patronage.  
There is a Baptist edition, differing in no respect from the general edition except on the ordinance of Baptism, in reference to which the Rev. Joseph A. Warner, Editor of the Baptist edition, makes the following remarks, viz: All that was promised in the Baptist edition, as such, was that whatever is found in the work as published for Pœdobaptists generally, which did not correspond with the views of Baptists, should be removed, and the maturest views of their own best writers substituted. It is confidently believed that no point connected with what is peculiar to the Baptist denomination, has been left unguarded; and when it is considered that on no points but those the Baptists differ from Henry, Scott, Doddridge, &c. there can be scarcely a doubt but that the denomination in general will feel that they have now a Commentary, in the reading of which they are sure to find what will fan the flame of love, and satisfy the appetite for truth, and this without that diminution of their enjoyment with which they were accustomed to meet in reading the authors, arising out of their different views of a christian ordinance.

Terms.—The work will be comprised in five volumes, averaging not less than 800 pages per volume, royal 8vo handsomely printed on fine paper, and well bound in sheep, and lettered with double titles, at 3 dollars per volume. There will be several engravings, frontispieces, vignette titles, and several neatly engraved maps, with other illustrative wood cuts, &c. Copies bound in extra gilt spring backs, \$4.50; plain calf, \$3.75.

**Silk Culturist.**  
THE Executive Committee of the Hartford County Silk Society, have commenced a monthly publication, entitled the Silk Culturist, and Farmer's Manual. The object of the publication is to disseminate a thorough knowledge of the cultivation of the Mulberry Tree, in all its varieties—The rearing of Silk Worms—The production of Cocoons and the boiling of Silk, in the most approved method. The importance of this knowledge will appear from the fact that the net profit of land devoted to the culture of Silk, is double, if not triple, to that derived from any other crop which can be produced. It is also a fact, that every acre of land which can raise several hundred pounds of Silk without interfering with any ordinary agricultural operations, will in order to avail himself of this facility, obtain competency and wealth, wherever soil and climate have given him, he can possess himself of information on this subject—far without it his attempts will be fruitless. It is, therefore, the object of the Committee to disseminate this information as extensively as possible, and at the cheapest rate. The publication will contain a complete manual or directory from sowing the seed to reeling the Silk, together with such facts and experiments, as will enable farmers to raise Silk and prepare it for market, without further knowledge or assistance. It will also contain interesting matter on agricultural subjects in general.  
TERMS—The Culturist will be published in monthly numbers of Eight Quarts Pages, at Fifty Cents a Year. No subscription will be received unless paid in Advance, and for not less than a year. Subscribers received by F. G. Conant, Secretary, Hartford, Conn., to whom all Communications may be addressed, which, if post paid, will be attended to.

**PROPOSAL,**  
For publishing in the town of Tarborough, N. C. a semi-monthly paper, entitled  
**The Primitive Baptist,**  
EDITED BY MARK BENNETT,  
Printed and Published by Geo. Howard.

THIS publication is principally intended to defend the old school of United Baptists from the many aspersions cast upon them by deluded persons professing their own faith, because they cannot conscientiously engage in the various money-making schemes of the day, ostensibly intended to promote Christianity, but evidently tending to destroy the great and fundamental principles upon which it is based, by making a gain of gold—We wish to have it distinctly understood, that we are not inimical to Missouri, Temperance, the tribulation of the Bible, or the spread of the Gospel—but we do condemn the mingling of professors and non-professors of religion in societies, and the making "gold" of religious matters, in every shape and form whatsoever.

Believing that Theological Schools, Bible, Missionary, Tract, and Sunday School Union Societies, are the same in principle—unscriptural—savor more of "man's" than of "good will towards men," we are opposed to them.  
Some of the children of God, surrounded with, and interspersed amongst, the advocates of Missionary and other societies, are denied the happiness of conversing with those of the same judgment. Others, who grieved with beholding corruptions of the Gospel, are not able to speak for themselves. This is designed, under God, for their relief. We shall aim not so much to please the fancy, as to inform the judgment—more to afford matter for solid and lasting comfort, than to give a momentary glow to the feelings. We consider that the cause of truth and of Christian soldiers is our cause. Deeply impressed with the belief that the blessing given of truth itself is of the Head of the Church, we cast ourselves upon Him, and send our little paper abroad, praying the Lord to carry what some joy to those who are in tribulation, and a little rest to those who are troubled.

**TERMS.**  
The Primitive Baptist is published in super-royal octavo form of 16 pages, on the second and fourth Saturdays in each month—at One Dollar per year, payable on receipt of the first number. Six copies will be sent to one Post-Office or neighborhood for Five Dollars.  
Communications must be post paid and directed to the Publisher.  
Persons holding Subscription papers will please send them or the names on them, to Geo. Howard, Tarborough, N. C.
