### NASHVILLE

### Female Academy.

THE entire control of this Institution for the ensuing year has been committed by its Trustees to my superintendence. It is my desire to place it upon an equal footing with the Female Academies of Tarborough and Louisburg. To do this I have engaged Miss Mary Ragdale to take charge of the school. Miss Ragdale has had the charge of this school the last session of the present year, and by her unwearied attention, together with the rapid advance of her pupils in their various studies have given entire satisfaction to her employers. I deem it unnecessary to say more about her qualifications, for she is so well known among an extensive acquaintance in Nash and Edgecombe, and particularly in Nash as an instructress, that I feel justified in expressing the belief that those who commit their children to her management will have nothing to fear.

The first session will commence on

**Monday, 16th Jan'y, 1837,**

And end on Friday, the 23rd of June. The 2nd session will commence on Monday, the 3rd of July, and end on Friday the 5th of December. The price of Tuition, the same as at Tarborough, that is, Ten Dollars per session for the lower classes, and Twelve Dollars per session for the higher. No student will be received for a less term than one session, unless providential accidents should prevent their commencing with the session or call them off before it ends, and in such cases the Tuition will be charged only for the time at school. It is particularly requested that the students should begin with the session, and be permitted to remain during the session, that the teacher may have an opportunity of doing justice to herself and her pupils; for it is designed that an Examination shall be held at the end of each session. Board can be had in a few families upon as cheap or cheaper terms than in Tarborough or Louisburg. It is hoped that this school will be liberally patronized, for no pains will be spared to make it worthy of the confidence of the public.
