Southern Citizen, And Man of business.

What do we live for, but to improve ourselves, and be useful to one another?

THE subscriber proposes to publish in the town of Ashborough, Randolph county, N. C. a weekly newspaper under the above title.

From mature reflection on the subject, and some consultation with men of experience, it is believed, that, by connecting the ordinary variety of a Newspaper, with practical legal maxims, advice, approved forms, &c. in the transaction of business—the publication may be rendered useful, and generally acceptable, at least to the citizens of this State.

It is difficult to enumerate beforehand all the subjects that may be considered within the design of this paper; but among other things, due attention will be paid to Religion, Morality, Education, Politics, Agriculture, Commerce, &c. together with the news of the day, foreign and domestic.

The business matter will be similar in character to that which appears in the 1st and 2d vols. of the "Man of business"; and if necessary, some of the subjects here treated of, will be more fully explained.

In politics, the publication is pledged to no party. And it is hoped and believed that no improper prejudice will be indulged in. All parties shall have fair play. The Editor promises without reserve, the strictest attention to the chastity of his columns; and so far as practicable to render the publication exactly such as every worthy citizen will take pleasure in introducing to the notice of his family & friends.

TERMS:

The Citizen will be issued every Saturday morning, on a fine super-royal sheet, at \$2 per annum in advance; or \$3, if not paid, within three months from the date of the first No. received, &c.

WILLIAM W. GRAY.

Raleigh, October 4, 1835.

Raleigh, September 1, 1836.

For five or six years previous to the spring of 1834, a negro man of mine had been much afflicted with an ulcerated arm and hand, which rendered him almost useless. The ulcer embraced that part of his arm from the elbow down, including his entire hand, which was literally a mass of putrefaction. A joint of one finger, and a part of the thumb, perished and dropt off. A more distressing and hopeless case I have never beheld. It was abandoned by his physician as incurable, except by amputation of the hand.

The best medical treatment having failed to relieve the man, I placed him under the care of Mr. William W. Gray, in this place, who, with his Ointment, has effectually cured the case, although the negro was frequently absent, for weeks and months together. He has been entirely well for the last eight months, and I have good reason to believe will continue so.

WASHINGTON MONUMENT.

THE Board of Managers of the Washington National Monumental Society invite **DESIGNS** for this structure, intended as a memorial of a

NATION'S GRATITUDE.

It would be to fetter genius, to prescribe any limits to the exercise of its powers, which should, however, in this case, harmoniously blend durability, simplicity and grandeur. Although it is impracticable at present to estimate the extent of the contributions that may be made, the Designs may be predicated on an expenditure of not less than one million of dollars.

The Board of Managers will not offend American genius so much as to offer, in this instance, a pecuniary reward. The artist, whose Design shall be adopted, will feel amply remunerated; and all the Designs will be bound and carefully preserved—to which end, it is requested that they be sketched, as near as may be, on paper of a uniform size, of the dimensions of sixteen by twenty-two inches. The designs to be directed to

PROPOSALS,

For publishing in the town of Tarborough, N. C. a semi-monthly paper, entitled

THE PRIMITIVE BAPTIST,

EDITED BY MARK BENNETT,

Printed and Published by Geo. Howard.

THIS publication is principally intended to defend the school United Baptists from the many aspersions cast upon them by deluded persons professing their own faith, because they cannot conscientiously engage in the various money-making schemes of the day, ostensibly intended to promote Christianity, but evidently tending to destroy the great and fundamental principles upon which it is based, by making it distinctly understood, that we are not inimical to Masonry, Temperance, the distribution of the Bible, or the spread of the Gospel—but we do condemn the mingling of professors and non-professors of religion in societies, and the making a "craft" of religious matters, in every shape and form whatsoever.

Believing that Theological Schools, Bible, Missionary, Tract, and Sunday School Union Societies, are the same in principle—unscriptural—favor more of "lucres" than of "good will towards men," we are opposed to them.

Some of the children of God, surrounded with, and interspersed amongst, the advocates of Missionary and other societies, are denied the happiness of conversing with those of the same judgment. Others, while grieved with beholding corruptions of the Gospel, are not able to speak for themselves. This is designed, under God, for their relief. We shall aim not so much to please the fancy, as to inform the judgment—more to afford matter for solid and lasting comfort, than to give a momentary glow to the feelings. We consider that the cause of truth and of Christian solace, is our cause. Deeply impressed with the belief that the blessing even of truth itself is of the Head of the Church, we cast ourselves upon Him, and send our little paper abroad, praying the Lord to carry with it some joy to those who are in tribulation, and a little rest to those who are troubled.

TERMS.

The *Primitive Baptist* is published in super-royal octavo form of 16 pages, on the second and fourth Saturdays in each month—at One Dollar per year, payable on receipt of the first number. Six copies will sent to one Post-Office or neighborhood for Five Dollars.

Communications must be post paid and directed to the Publisher.

Persons holding Subscription papers will please send them or the names on them, to Geo. Howard, Tarborough, N. C.

\$100 Reward.

RANAWAY from the subscriber, on the night of 20th September last, my negro man named

DANIEL,

20 or 21 years of age, 6 feet high, black complexion, has a pleasing countenance, inclined to be knock-kneed, his feet some, what turned out, particularly his left foot, his clothing not recollected. He was formerly the property of Asahel Farmer, his mother, brothers and sisters belonging to said Farmer—his father is in the same neighborhood working about as a blacksmith, nearly as a free man. It is believed he is lurking about in the neighborhood of said Farmer, also in Nash county. The above reward will be paid to any person that will apprehend said negro, and deliver him to me or secure him in any Jail so that I get him again. I forewarn any person from harboring said negro, or carrying him off, under the strict penalty of the law. Any information respecting him will be thankfully received by the Subscriber, at Oak Grove, Edgecombe county.

TYPE FOUNDRY.

White & Hagur,

RESPECTFULLY inform the Printers of the United States, to whom they have been long known as established

TYPE FOUNDERS,

That they have now formed a CO-PARTNERSHIP

In said business and hope from their united skill and experience to be able to give satisfaction to all who may favor them with their orders. The introduction of machinery in place of the unwhalhy process of casting type by hand, a desideratum by the American and European foundries, was by American ingenuity and heavy expenditure of time and money on the part of the senior partner, first successfully accomplished.

Extensive use of the machine to cast letters has fully tested and established its superiority over that cast by the old process. The letter foundry business, will hereafter be carried on by the parties above named, under the firm of

Pension Office, Oct. 3, 1836.

THE following Circular Letter, addressed to the Pension Agents by the Second Comptroller of the Treasury is published for the information of Pensioners, and those who may act as their attorneys, in drawing their stipends for them.

James L. Edwards,
Commissioner of Pension.

CIRCULAR.

Treasury Department,
SECOND COMPTROLLER'S OFFICE,
September 1836.

The Agent for paying Pensions at

Sir: In order to guard more effectually against a repetition of frauds, as heretofore practised by the production of forged papers, the first three following additional rules will be observed by the accounting officers of the Treasury.

1. In every case where the pensioner employs an attorney to receive his pension, the execution of the power must be in the presence of at least one witness, other than the magistrate before whom it is acknowledged. No payment to an attorney will be allowed unless supported by a voucher thus executed.

2. In all cases where the signature of the pensioner or his attorney is required, such pensioner or attorney will write his name at length, if capable of so doing; otherwise, his signature may be by mark or cross, in which case the execution must be in the presence of at least one competent witness, other than the justice or notary who acts officially in the case.

3. No payments will in future be made to any pensioner, either in person or by attorney, who has not applied for his pension for more than one year, without the production of evidence of his identity, as prescribed in the instructions from this office of June 10, 1833, chapter 1, section 2, and form B, nor until such evidence has been transmitted to the Commissioner of Pensions, and a special direction authorizing the payment has been given.

4. In case where a certificate has been issued by the Commissioner of Pensions to the widow or children of an officer or soldier under the act of June 7, 1831, or under the act of May 15, 1828, no proof of the relationship of the applicant to the deceased officer or soldier is to be required by the pension agent, that proof having been necessarily filed in the office of the Commissioner of Pensions prior to the issuing of such certificate.

Respectfully, Sir,
Your obedient servant,

(Signed.) **Albion K. Parris,**
Jan. 24. Comptroller.

To take effect from the 4th March 1837.
