Three horses belonging to Mr. Wm. Corling, of this town, were also drowned.—*Petersburg Int.*

A requisition has been made on the stockholders for an installment of five dollars per share, to secure the loan of a million of dollars from the State. A resolution has been adopted to put the Bank in operation in October next; and to prosecute the work with vigor.

**Mexico.**—We learn from the New Orleans Bulletin of the 5th inst. that an arrival from Vera Cruz, bringing dates to 20th ult. brings information "that a French squadron consisting of fourteen vessels, was daily expected at that port from the West Indies, to enforce the claims of the French government upon that Republic, and that arrangements were being made to give them a warm reception, in the event of a commencement of hostilities. Mexican papers to the 12th ult. have been received, but they contain no political news of interest. It was rumored at Vera Cruz that the State of Zacatecas and a portion of the government troops had revolted and declared in favor of a federal government, but nothing positive had transpired in relation to their plan of operations."

**Canada.**—The Detroit Advertiser of the 6th inst. says: We learn that the notorious Gen. Sutherland, and another man by the name of Spencer, who were crossing on the ice from Gibraltar to Point au Pelle Island on Sunday afternoon, were taken prisoners by the British sentinels and taken to Malden. We are informed that Sutherland is to be hung this morning.

The Toronto papers received this morning confirm the intelligence of the capture of Sutherland and his aid.

Col. Maitland, in the Montreal Gazette (extra) of the 9th inst. gives an official account of the defeat of a body of Patriots from Sandusky Bay, under the command of a person calling himself Col. Bradley, who had taken possession of Pelee Island, from 7 to 9 miles in length, about 40 miles from Amherstburgh, and 20 from the shore. The despatch is dated at Amherstburgh, on the 4th inst. It states that, after being hemmed in, the Patriots, who had kept up a brisk fire, were charged at the point of the bayonet, Colonel Bradley, Maj. Howard, Capt. Van Rensselaer and McKeon, and others killed, several wounded and several taken prisoners. On the part of the British, it states that three of the 32d regiment were killed and 23 wounded. It also states that "the whole of the gang driven from the Pelee Island are American citizens." We hope and believe not."

The Buffalo Advertiser of Saturday, confirms the above on the authority of Gen. Scott. Mr. Bradley, it appears, is an apothecary of Sandusky City.

### Foreign.

**Late from Europe.**—By the ship Scotland, Liverpool papers to the 20th Feb. have been received at New York.

The Cotton market appears to have receded 1-8 a 4d, though it was rising at the very latest dates.

Sales of Cotton at Liverpool for the week ending Feb. 16th, 18,550 bales, at a decline of 4 a 3d on American sorts.

Money was abundant, and the Bank of England reduced its rates of discount on the 19th Feb. to 4 per cent.

The army movements still continued on a large scale. It was stated that six sail of the line would be put in commission in the spring, and that a war steamer would be placed on Lake Ontario.

### LEANDER,

WILL STAND the present season at my stable, and at Robert R. Braswell's shop—and will be let to mares at FIVE DOLLARS the season, payable at the end of the season, and EIGHT Dollars to insure a mare to be in foal, payable when the fact is ascertained or the property changed; with twenty-five cents to the Groom in every instance. The 21st and 22d of March he will be at Braswell's for the first time—the 1st, 2d and 3d, the 11th 12th and 13th, the 28th, 29th and 30th of each month thereafter, until the 23d of June, which will end the season. Any person putting to Leander by the insurance and fails to attend the stand forfeits the insurance money, unless an accident should happen. All care will be taken to prevent accidents, but no liability for any that may happen.

### LEANDER,

Is recommended as far as he is known, and his colts are sufficient to recommend him farther. JOHN R. PITT. 12th March, 1838.

The Young Jack,

### EDGECOMBE,

WILL STAND the ensuing season at my stable, on the north side of Tar River, on the road leading from Teat's Bridge to the Falls Tar River, three miles above the bridge—and will be let to mares at THREE DOLLARS the single leap, FIVE Dollars the season, and TEN Dollars to insure a mare to be in foal—with twenty five cents to the Groom in every instance. A transfer of property forfeits the insurance. The season will commence the 10th March and end the 10th July. Every attention will be paid, but no responsibility for accidents, &c.

### EDGECOMBE,

Is five years old, and a very large sized Jack to his age. His appearance is the best recommendation that can be given. R. D. WIMBERLEY. March 8, 1838.

### MUCKLE JOHN,

WILL STAND the ensuing spring at the stable of William G. Bullock, at the following prices, (to wit:) TWENTY FIVE DOLLARS the season, and FORTY Dollars the insurance, with fifty cents to the Groom in every instance. Every exertion will be carefully observed to prevent accidents, but no liability will be incurred if any should happen.

It is entirely unnecessary to make any comment upon this thorough bred horse, as his Pedigree which is given below, should, independent, of the fine performances of the few colts of his get, on the racing Turf, recommend him, to all unprejudiced judges, as a horse that should not as to genuineness of blood, stand inferior to none others in the State of North Carolina. The many good crosses both of American and imported stock, should justly entitle him to a reputation sufficient, to entitle him justly to an extensive patronage, by all those, who are anxious to raise race horses of never finching game, connected also with no small degree of speed. With correct and proper crosses his colts cannot fail to figure as splendidly on the Turf as any others in America.—For an account of his colts' races see Turf Register and Spirit of the Times. If this opportunity is not accepted by those who are anxious to improve their stock, a source of regret may hereafter be occasioned, as another so favorable may not be given. A liberal deduction will be made if any responsible person will make up a club of five mares. The season will commence 1st March and end 1st July.—MUCKLE JOHN is fifteen years old this spring, and now possesses all the liveliness of action as a colt of 3 years old.

### Pedigree.

MUCKLE JOHN was got by Old Harrod, he by Old Sir Archie. Harrod's dam by Old Diomedes, his grandam by Old Bellair, his g. grandam by the Imported Sir Harry. Muckle John's dam by Old Collector, his grandam by Old Imported Citizen, his g. grandam by the Imported Union, his g. g. grandam by the Imported Buckskin. It is unnecessary to trace him further, as the above is sufficient to give him a pedigree not surpassed by any horse in the country.

W. M. G. BULLUCK, JOHN J. DANIEL.

Feb. 24, 1838.

### YOUNG JACK,

WILL STAND the present season, which will commence on the 1st day of March and end the 1st of July. He will be at J. C. Knight's Store, near Cokey bridge, 9th, 10th, 19th, 20th, 29th and 30th, of each month, from the 1st of March to the 1st of July—the balance of his time at home, with the privilege of adding or diminishing at either stand. He will be let to mares at his former prices, FOUR DOLLARS the leap, SIX Dollars the season, and TEN Dollars to insure a mare to be in foal; with twenty-five cents to the Groom in every instance. The season and leap money to be due at the end of the season, the insurance from the 1st January next with interest. Mares put if not mentioned otherwise at the time they are first put to prevent mistakes will be charged by the season, and when charged no alteration will be made. Great care will be taken to prevent accidents, but no liability for any. A transfer of property before it is ascertained, forfeits the insurance money. Any one putting a mare by the insurance and fails to attend the stand regular will be held bound for the insurance money whether the mare gets in foal or not.

As to the qualities of YOUNG JACK, it is useless to say any thing about, as he is generally known to be far superior to any in this country. D. G. BAKER.
