a summary of the Statute Law, briefly

matter of each Chapter, accompanied
with such Notes and observations as ap-
pear necessary to render the whole intel-
ligible.

DR. HARRELL'S

Tomato and Slippery Elm
PILLS.

THERE are many family medicines

now before the public, some of which,
from their intrinsic virtues have justly
gained the confidence and gratitude of
thousands; but in the light of contrast, and
in the scale of curative merit, Dr. Harrell's

Tomato and Slippery Elm Pills stand
pre-eminently above them all; nor is any
apology offered for taking this high
ground, unless it is the fact of their super-
ior, and almost miraculous effects in the
cure of diseases. They produce, when ta-
ken, a deep and lasting impression that
they stand at the head of all other prepa-
red medicines of the day. Fevers, Liver

affections, Jaundice, head-ache, loss of
appetite, costiveness, female complaints,
and every disease within the reach of hu-
man means; yield readily to the power-
ful, yet gentle operation of these pills.

As a cathartic they are copious and free,
as an aperient they are mild and certain,
as a tonic they are prompt and invigorating,
as an alterative they are superior to Calo-
mel or any other known remedy, and as a
purifier of the blood they are unequalled
in the history of medicines. There is no
disease can withstand their life-giving en-
ergy when taken in time, or interrupt the
system at all when they are administered
as a preventative. During sickly sea-
sons, and the prevalence of epidemics,
their occasional use will preserve the
body from attacks of disease. 50 cents
per box. \$54 per gross.

Druggists, Booksellers, and Merchants
are requisite to become agents for the
sale of the above medicines.

All orders (post paid) directed to Dr.
A. Harrell, Elizabeth City, N. C. will re-
ceive strict attention.
