Cleanse and purify the Body.

Brandreth's Pills.

THE application of the principle of Pur. gation being allowed to be one of the greatest utility in the cure and prevention of disease, it is of the greatest consequence to ascertain what medicine is capable of producing the desired effect in the easi, st, and at the same time in the most effer. tual manner.

It has now no longer to contend with the blind prejudices of the greatest por. tion of the public; it is only with those few who still are determined to be "killed according to rule," like the people of old who "would have a King to reign over them." But, thanks to the circulation of newspapers - thanks to the general diffusion of knowledge, which en, bles nineteen twentieths of THE PEO.
