Evans' Camomile Pills.

THE camomile flower, (ot as it is offi cially called, ANTHEMIS FOULLIS, or Chamæmelum, from the Greek words, Kamai, on the ground, and Alelon, an apsmells like an apple,) is of a dull white color, of fragrant odor; aitd of a billier aromatic taste.

Camomile is a mild tonic, in small doses acceptable and corroborant to the stomach. It is especially applicable to that condition of general debility, with languid appetite, which often attends convalescence from idiopathic fevers.

To the Nervous and Debilitated, Dr. Evans' Tonic Pills.

The powers of Evans' Camomile Pills ire such, that the palpitating heart, the tremulous hand, the dizzy eye, and the fluttering mind, vanish before their effects like noxious vapors before the benign influence of the morning suff. They have been long successfully used for the cure of intermittents, together with fevers of the irregular nervous kind, accompanied with visceral obstructions.

This tonic medicine is for nervous complaints, general debility, indigestion and its consequences, as want of appetite; distension of the stomach, acidity, unpleasant taste in the mouth, rumbling noise in the bowels, nervous symptoms, languor, when the mind becomes irritable, despon ding, thoughtful, melancholy and dejected. Hypochondriacism, consumption, dimness of sight, delirium, and all other nervous affections, these pills will produce a safe and permanent cure.

Evans' Pills were first introduced in America in 1835

Evans' Family Aperient Pills Are purely vegetable, composed with the strictest precision of science and of art; they never produce nausea, and are warranted to cure the following diseases which arise from impurities of the blood; viz:

Consumption, Coughs, and Colds,

Nervous diseases, liver complaint, dys pepsia, bilious diseases, piles, ulcers, female weakness, and all cases of hypochondriacism, low spirits, palpitation of the heart, nervous irratibility, nervous weakness, fluor albus, seminal weakness, indigestion, loss of appetite, heartburn; genecotton stockings, from 10 c.s upwards, ral debility, bodily weakness, chlorosis or green sickness, flatulency, hysterical faintings, hysterics, headaches, hiccup, seasickness, night mare, rheumatism, asthma, tic douloureux, cramp, spasmodic affections, and those who are victims to that most excruciating disorder, Gout, will find relief from their sufferings, by a course of

Extract of a letter of Jonas Snyder, Post Master, Kernesville, Pa., to Dr. William Evans.

Among several cases the following is found: An elderly lady, who had been 25 years so afflicted with nervous hypochondria, debility, &c. that for the last turee from a respectable physician; but the and especially in her left side, remained fered at a small advance on the prime cost immovable, attended at long intervals with weakness in her head and on her mind, keeping her discouraged to undertake any thing. In May she commenced UNITED STATES District Court of using Dr. W. Evans' medicines ac-North Carolina, for the District of cording to the directions accompanying them. A reaction took place; the pain Notice to show cause against the peti and pressure in her body was removed; her

the last ten years she has not enjoyed. (Signed,) JONAS SNYDER. September 7, 1838.
