CONSUMPTION .- The following remarks were taken from the last

"The surprising effect produced by the genuine Dr. Taylor's Balsam of Liverwort, made at 375 Bowery, in consump tive cases, cannot fail exciting a deep and thrilling interest throughout the world. We have so long believed this disease (consumption) incurable, that it is diffi cult to credit our senses when we see persons, evidently consumptive, restored to health. Yet it is a fact of daily occurrence."

The following certificate was given us a few days since by Capt. Scott, of Elizabeth City, N. C.

"Being constitutionally predisposed to consumption, (a number of my family having died of this disease,) and having suffered severely from irritation of the longs, accompanied with cough and raising matter and blood, together with some pain in my side and breast, till I was sopposed to be beyond recovery, I was induced by advice of Dr. Perkins, to try Taylor's Balsam of Liverwort; and with great pleasure take this opportunity of testifyng to the value of this remedy. I have taken five bottles in all. I began to improve after the first bottle, and after taking the third was so far recovered as to he able to get about; since which time, red and able to attend to my usual business. To persons suffering from coughs arise from impurities of the blood, viz: and affections of the lungs I can earnestly recommend it. (Signed.) JAS. C. SCOTT.

Consumption cured! - Being of a studious habit, I became afflicted some years since, with bronchitis tickling in the throat, slight cough, and other consumpive symptoms.
