JAYNE'S Carminative Balsam.

IS a certain, safe and effectual remedy for dysentery, diarrhoea, or looseness, cholera morbus, **SUMMER COMPLAINT**, colic, griping pains, sour stomach, sick and nervous headache, heartburn, waterbrash, pain or sickness of the stomach, vomiting, spitting up of food after eating, and also where it passes through the body unchanged, want of appetite, restlessness and inability to sleep, wind in the stomach and bowels, hysterics, cramp, nervous tremors and twitchings, sea sickness, faintings, melancholy and lowness of spirits, fretting and crying of infants, and for all **BOWEL AFFECTIONS & NERVOUS DISEASES.**

This is one of the most efficient, pleasant, and safe compositions ever offered to the public for the cure of the various derangements of the **STOMACH** and **BOWELS**, and the *only* article worthy of the least confidence for curing **CHOLERA INFANTUM** or **SUMMER COMPLAINT**; and in all the above diseases it really acts like a charm.

All persons are requested to try it, for without exception it is the most valuable family medicine ever yet discovered. Hundreds, nay, thousands, of certificates have been received from physicians, clergymen, and families of the first respectability, bearing the strongest testimony in its favor, too numerous to publish.

Certificates.

Dr. D. Jayne.—Dear Sir, having made use of your Carminative Balsam in my family, and finding it to be admirably adapted to the complaints for which it is intended, I take pleasure in recommending it to the use of my friends and the public generally, believing those who are afflicted with any of these complaints will find relief in the use of this valuable medicine.

JONATHAN GOING, D. D.
President of Granville College, Ohio.
From the Rev. Asa Shinn, of the Protestant Methodist Church.

The undersigned having been afflicted during the past winter with a disease in the stomach, sometimes producing great pain in the stomach for ten or twelve hours without intermission, and having tried various remedies with little effect, was furnished with a bottle of Dr. D. JAYNE'S CARMINATIVE BALSAM. This he used according to the directions, and found invariably that this medicine caused the pain to abate in three or four minutes, and in fifteen or twenty minutes every uneasy sensation was entirely quieted. The medicine was afterwards used whenever indications of the approach of pain were perceived, and the pain was thereby prevented. He continued to use the medicine every evening, and sometimes in the morning, and in a few weeks health was so far restored, that the sufferer was relieved from a large amount of oppressive pain. From experience, therefore, he can confidently recommend Dr. D. JAYNE'S Carminative Balsam, as a salutary medicine for diseases of the stomach and bowels. **A. SHINN.**
Allegheny city, July 16th, 1843.

From the Rev. Dr. Bacon.
From a long acquaintance with Dr. Jayne's Carminative Balsam, I believe it to be a very happy combination, and a useful medicine in many complaints which almost constantly occur in our country, such as bowel affections of children, colic, cramps, looseness, dyspeptic disorders of the stomach, coughs, and affections of the breast, together with all those diseases attended with sourness of the stomach; and believe that physicians will often find it a useful remedy in their hands, and one that is proper for domestic use, and can be put into the hands of persons at large with perfect safety.

Astonishing.

AMONG the thousand Medicines advertised as "certain certain cures for pulmonary complaints,"

Jayne's Expecto-rant

Stands alone. Its path to public confidence has been paved, not with puff-blow but CURE; and the vouchers for its efficacy include an array of names which, for character and respectability, cannot be surpassed in this country. Dr. JAYNE, being himself a physician, does not profess to perform physical impossibilities; but he does assert, and he is borne out by well authenticated facts, that in all **DISEASES OF THE LUNGS AND CHEST**, which are susceptible of cure without miraculous interference, his **EXPECTORANT** will restore the patient to health. No other medicine will remove mucus or pus from the throat so thoroughly as this. It effectually loosens the coagulated masses from the membrane which lines the trachea, and at every cough the patient will bring up portions of the disengaged matter. IN ALL COMPLAINTS OF THE PULMONARY ORGANS, even where nature seems to be making no effort to throw off the disease, JAYNE'S EXPECTORANT imparts vigor to the machinery of respiration, and enables them to disencumber themselves of the obstructions which had impeded their free operation. It has restored hundreds to perfect health, after their physicians had given them up as incurable, with **CONSUMPTION**, Coughs, Colds, Asthma, Influenza, Bronchitis, Hooping Cough, Spitting Blood, in a word, all diseases of a **PULMONARY** nature yield to this preparation, if properly administered.

CONSUMPTION And Liver Complaint.

Dr. Taylor's Balsam of Liverwort,
FROM 375 BOWERY, NEW YORK.

FOR the cure of coughs, colds, asthma, whooping cough, catarrh, pains in the side and breast, bronchitis, liver complaints, and all those affections of the throat and lungs, which are a source of so much suffering and so often terminate in consumption, this remedy is justly and highly distinguished. It is purely vegetable, mild and gentle in its effects upon the system, and can be taken in the most delicate cases with safety as well as utility. So extensively has it been used and so often proved successful, even in extreme and apparently almost hopeless cases, not only as a palliative but as a remedy, that the Proprietor feels no hesitancy in introducing it, and recommending it to all who unfortunately may have occasion to resort to some means of recovery. Physicians, familiar with its effects and aware of the healing properties of this vegetable preparation, not unfrequently prescribe it in their practice; and with the Medical Faculty generally, it has met with more than ordinary approbation.

CONSUMPTION.—The following remarks were taken from the last number of the Medical Magazine:

"The surprising effect produced by the genuine Dr. Taylor's Balsam of Liverwort, made at 375 Bowery, in consumptive cases, cannot fail to excite a deep and thrilling interest throughout the world. We have so long believed that consumption (consumption) incurable, that it is difficult to credit our senses when we see persons, evidently consumptive, restored to health. Yet it is a fact of daily occurrence."

The following certificate was given us a few days since by Capt. Scott, of Elizabeth City, N. C.

"Being constitutionally predisposed to consumption, (a number of my family having died of this disease,) and having suffered severely from irritation of the lungs, accompanied with cough and raising matter and blood, together with some pain in my side and arid breast, still I was supposed to be beyond recovery. I was induced by advice of Dr. Perkins, to try Taylor's Balsam of Liverwort; and with great pleasure take this opportunity of testifying to the value of this remedy. I have taken five bottles in all. I began to improve after the first bottle, and after taking the third was far recovered as to be able to about; since which time, by continued use of it, I am quite restored and able to attend to my usual business! To persons suffering from coughs and affections of the lungs I can earnestly recommend it. (Signed.) **JAS. C. SCOTT.**"

Consumption cured!—Being of a studious habit, I became afflicted some years since, with bronchitis, tickling in the throat, slight cough, and other consumptive symptoms. Every new cold increased my disease, until it settled into regular confirmed consumption. I now commenced the use of Dr. Taylor's Balsam of Liverwort, made at 375 Bowery and this medicine gave me relief in a short time. It has since effected a radical cure.
