Stop the Swindler.

ON Friday, 20th inst., a man calling himself JAMES or WM. BROWN came to my house and exchanged horses. It now appears his horse was borrowed, and belonged to another person. I have been informed he took the Conetoe road as he was seen on that day about ten miles below Tarboro'. The horse he got from me, is a small well built bay horse, about 3 years old, both hind feet white and a white stripe in his forehead—he was recently bit in several places by another horse, and his eyes are affected. Brown is an Irishman, about 5 feet 3 or 4 inches high, 38 or 40 years old, light built, and fair complexion. He had on a straw hat, dark brown horse-pun coat and pantaloons, and an old black silk vest. The above reward will be paid for the apprehension of the Swindler, and the horse, if delivered to me or confined so that they can be got at, or \$10 for either of them.

HENRY SHURLEY.
Sept. 27, 1844. 39-3

I have since understood, that Brown purchased a new wool hat in Tarboro', and left his straw hat there—he also rode a saddle belonging to James Pitt, with brass stirrups, the seat out, pommel defaced by the biting of a horse, marks of horse's teeth on one of the skirts, and the hind part of the saddle tree broke off. JAYNE'S Carminative Balsam.

IS a certain, safe and effectual remedy for dysentery, diarrhoea, or looseness, cholera morbus, SUMMER COMPLAINT, colic, griping pains, sour stomach, sick and nervous head-ach, heartburn, waterbrash, pain or sickness of the stomach, vomiting, spitting up of food after eating, and also where it passes through the body unchanged, want of appetite, restlessness and inability to sleep, wind in the stomach and bowels, hysterics, cramp, nervous tremors and twitchings, sea sickness, faintings, melancholy and lowness of spirits, fretting and crying of infants, and for all BOWEL AFFECTIONS & NERVOUS DISEASES.

This is one of the most efficient, pleasant, and safe compositions ever offered to the public for the cure of the various derange- ments of the STOMACH and BOWELS, and the only article worthy of the least confi- dence for curing CHOLERA INFAN- TUM or SUMMER COMPLAINT; and in all the above diseases it really acts like a charm.

All persons are requested to try it, for without exception it is the most valuable family medicine ever yet discovered. Hun- dreds, nay, thousands, of certificates have been received from physicians, clergymen, and families of the first respectability, bearing the strongest testimony in its favor, too numerous to publish.

Certificates.
Dr. D. Jayne.—Dear Sir, having made use of your Carminative Balsam in my family, and find- ing it to be admirably adapted to the complaints for which it is intended, I take pleasure in recom- mending it to the use of my friends and the public generally, believing those who are afflicted with any of these complaints will find relief in the use of this valuable medicine.

JONATHAN GOING, D. D.
President of Granville College, Ohio.
From the Rev. Asa Shinn, of the Protestant Metho- dist church.

The undersigned having been afflicted during the past winter with a disease in the stomach, sometimes producing great pain in the stomach for ten or twelve hours without intermission, and having tried various remedies with little effect, was furnished with a bottle of Dr. D. JAYNE'S CARMI- NATIVE BALSAM. This he used according to the directions, and found invariably that this medi- cine caused the pain to abate in three or four min- utes, and in fifteen or twenty minutes every un- easy sensation was entirely quieted. The medicine was afterwards used whenever indications of the approach of pain were perceived, and the pain was thereby prevented. He continued to use the medi- cine every evening, and sometimes in the morn- ing, and in a few weeks health was so far restored, that the sufferer was relieved from a large amount of oppressive pain. From experience, therefore, he can confidently recommend Dr. D. Jayne's Carminative Balsam, as a salutary medicine for dis- eases of the stomach and bowels. A. SHINN.
Allegheny city, July 16th, 1843.

From the Rev. Dr. Bacon,
From a long acquaintance with Dr. Jayne's Carminative Balsam, I believe it to be a very happy combination, and a useful medicine in many com- plaints which almost constantly occur in our coun- try, such as bowel affections of children, colic, cramps, looseness, dyspeptic disorders of the stom- ach, coughs, and affections of the breast, togeth- er with all those diseases attended with sourness of the stomach; and believe that physicians will often find it a useful remedy in their hands, and one that is proper for domestic use, and can be put in- to the hands of persons at large with perfect safety.

Astonishing.

AMONG the thousand Medicines adver- tised as "certain certain cures for pul- monary complaints."

Jayne's Expectorant
Stands alone. Its path to public confi- dence has been paved, not with puff- but CURE; and the vouchers for its efficacy include an array of names which, for char- acter and respectability, cannot be surpass- ed in this country. Dr. JAYNE, being himself a physician, does not profess to perform physical impossibilities; but he does assert, and he is borne out by well au- thenticated facts, that in all DISEASES OF THE LUNGS AND CHEST, which are susceptible of cure without miraculous interference, his EXPECTORANT will restore the patient to health. No other medicine will remove mucus or pus from the throat so thoroughly as this. It effec- tually loosens the coagulated masses from the membrane which lines the trachea, and at every cough the patient will bring up portions of the disengaged matter. IN ALL COMPLAINTS OF THE PUL- MONARY ORGANS, even where nature seems to be making no effort to throw off the disease, JAYNE'S EXPECTORANT imparts vigor to the machinery of respira- tion, and enables them to disencumber themselves of the obstructions which had impeded their free operation. It has restored hundreds to perfect health, after their physicians had given them up as incurable, with CONSUMPTION, Coughs, Colds, Asthma, Influenza, Bronchitis, Hooping Cough, Spitting Blood, in a word, all dis- eases of a PULMONARY nature yield to this preparation, if properly administred.
