WRIGHT'S INDIAN VEGETABLE PILLS

DR. SCHENCK'S MANDRAKE PILLS .

Has been so frequently and attacheterily proven that it seems almost superfluous to say anything more in their favor. The immense and constantly becausing demant for them, both in this and foreign a satisfies, is the test evidence of their value. Their sale to lay in the United States is far greater than any other cutharties in distant. This demand is not appeared to it is recreate and standy. It is not of to-day or yesterday, it is an increase that has been steadily exceeding for the last thirty-five years. What are the reasons for this great and growing demand? Pr. Schewels's Mandrake Pills contain no mer-ber 2014 set they act with wonderful effect upon involver. They cleane the stemach and bowels of Bil tribuling matter, which, if allowed to remain, gatematic blood, and brings on Malaria, Chills and frees, and many other diseases. They give health and strength to the dignative organs. They greate appetite and give vigor to the whole system. They are in fact the medicine of all others which should beaution in time like the present, when malarial and other spitering are raping, as they prepare the sy-lant to remit intensity of disease of every character.

An Unexpected Event.

Mr. Marshall L. Mott. of this place was married, Tuesday, in Charlotte, to Miss Mamie Sanchez, of Augusta, Ga. The intelligence of this event was received here the lotte, a delay occurred, and when the party went to the Southern train, Mr. Mott and Miss Sanchez separa ted from the others of the company. The train rolled off with her relatives and she and Mr. Mott repaired to the Ppiscopal church where they were quietly married by Rev. J. B. Cheshire. Wednesday evening they

arrived in Statesville. The bride is a highly attractive young lady. Statesville people who met her at Catawba were charmed by her pleasing manners and evident gentility, and Mr. Mott is exceedingly fortunate in having made such a conquest. We trust the union will prove in every way a happy one and be blessed alike to man and wife.—

Small Farms.

We have more than once written on will positively draw off its virtues, this subject, and there is reason to according to the length of time exhas not been altogether without effect. The tendency toward small farms is becoming a marked feature even of our section. Before the war large plantations were the rule, and still there are far too many of them have lived above reproach as a son we cannot conscientiously symprescher of the gospel." These pathize with the strikers. Think of and if I had four more I could buy more at least than are profitable to words were as true of him as his it, he was to have been gone two an elegant cigar." Said the other: "I have four more. Here they are. pushed to pay the annual tax on Buy the cigar and we will have a their large estates. The number of ored. Mr. Blaine insisted on Mr. No 1, puffing away vigorously. "This landed citizens, substantial, working conkling, saying that Conkling had is a stock company. I am the president and you are only a stock holder. Try, and it is from these small farms twelve years.—[Index-Appeal]. According to Gould and his judges that will come the future strength stockholers have no right to vote at and glory of the republic. It is a great thing to be the free owner of a the annual meetings. Come around great thing to be the free owner of a during Reconstruction, Senator next year this time and if there is good little farm. It is a priceless any the cigar left you can vote me privilege to be permitted to carve out the South, his pre-eminent ability out and smoke it. Ta! Ta!"—[Wall] for yourselves and loved ones comfortable homes from the fruitful land

of your old mother State. We advocate small farms. Get your sons and your friends, and the industrious young men of the county to settle around you. Get you more neighbors, and there will be better times. - Rural Messenger.
