

Ballew To Advertise

Mr. Tandy Washington Ballew, one of Tryon's most successful merchants, begins tomorrow an Ad in the Bulletin every day. Mr. Ballew came to Tryon in 1911 and opened his grocery and market business on Trade St. in the wooden building now occupied by the Midway Cash store. He sold this building, and put up his present nice brick store and has made good despite the fact he did very little advertising. He has a lot of faith in the Bulletin and is going to give it a fair trial.

Rev. Burnett to Lecture

The Rev. C.P. Burnett leaves today for Sewanee University where he will give a short course of lectures on the 'Life of Christ'. During his absence the Rev. Rolla Dyer will fill the pulpit at the Episcopal Church.
